

City of Boston Annual Homeless Census - Housing Inventory Chart

You must submit a form for each program at your agency in which a homeless person has a "head in a bed"

* Required

Agency Name *

Agency Address *

The address of your Agency's Main Office

Program Name *

Program Address *

The physical location of where this program is located. If this is a Scattered Site program, please indicate so in the field

Program Contact Name and Phone number *

This is the person that can answer any questions about the data submitted as part of the Census.

Program Type *

Site Configuration *

Housing Type *

Target Population A *

Select the appropriate response for the the population you serve. Youth is considered under 25. The selection here means that your program will only serve this population

Target Population B *

Your program ONLY serves this population - this is not common for most programs

Bed Type *

Unit Inventory for Households with Children (Families - at least 1 Adult and 1 Child) *

What is the total number available on the night of the census. For programs that serve Families, a unit can be considered a room for a family.

Unit Inventory for Households without Children (Single Adults or Adult Couples) *

What is the total number available on the night of the census. For programs that serve singles, the unit number and bed numbers should match.

Unit Inventory for Households with ONLY Children (Unaccompanied Youth under 18, Families with the parent under 18, or Pregnant females under 18) *

What is the total number available on the night of the census. For programs that serve singles, the unit number and bed numbers should match. For programs that serve Families, a unit can be considered a room for a family.

Bed Inventory for Households with Children (Families at least 1 Adult and 1 Child) *

What is the total number of available beds that could possibly be filled on the night of the census. Think of it as "how many people can sleep here tonight"

Bed Inventory for Households without Children (Single Adults, Adult Couples) *

What is the total number of available beds that could possibly be filled on the night of the census. Think of it as "how many people can sleep here tonight"

Bed Inventory for Households with ONLY Children (Unaccompanied Youth under 18, Families with a parent under 18, pregnant females under 18) *

What is the total number of available beds that could possibly be filled on the night of the census. Think of it as "how many people can sleep here tonight"
