Invites you to join us in celebrating the

12th Annual Spelling Bee

Boston Centers for Youth & Families (BCYF) is excited to once again bring to your students and school the opportunity to participate in the Scripps National Spelling Bee through the *12th Annual BCYF Spelling Bee.*

In addition to promoting literacy skills by improving students' spelling and broadening their vocabulary, participation provides a valuable experience in developing the necessary skills for success in public-speaking, language comprehension, improved study techniques, and concepts mastery.

The benefits go beyond the academic for students by providing them with a positive goal to pursue throughout the year. Participation in the Spelling Bee gives students the chance for healthy competition in a non-athletic setting and provides an opportunity to develop self-confidence, responsibility and autonomy, and fosters a sense of pride in representing one's school community.
