EVENING CLINIC

YOU ASKED. WE LISTENED.

We receive many inquiries related to tenant rights and affordable housing.

We want to make this information accessible to you. At one of our Evening Clinics, we provide an overview of either your tenant rights and responsibilities or information on affordable housing opportunities. Afterwards, you can meet with staff for individualized housing support.

THE WHEN AND WHERE.

We hold our Evening Clinics at 26 Court Street, 1st Fl in Downtown Boston from 5 PM - 6 PM. We recommend you register in advance at www.boston.gov/dnd/eveningclinic.
