

YOU'RE INVITED!

Join us to discuss our proposed design for safety improvements on **Beacon Street** at a public meeting on **Monday, June 12.**

Attend our public meeting to learn about our proposed redesign for Beacon Street. Our goal is to increase safety for everyone who uses the street.

We want your feedback to improve our concept design.

Monday, June 12, 2017

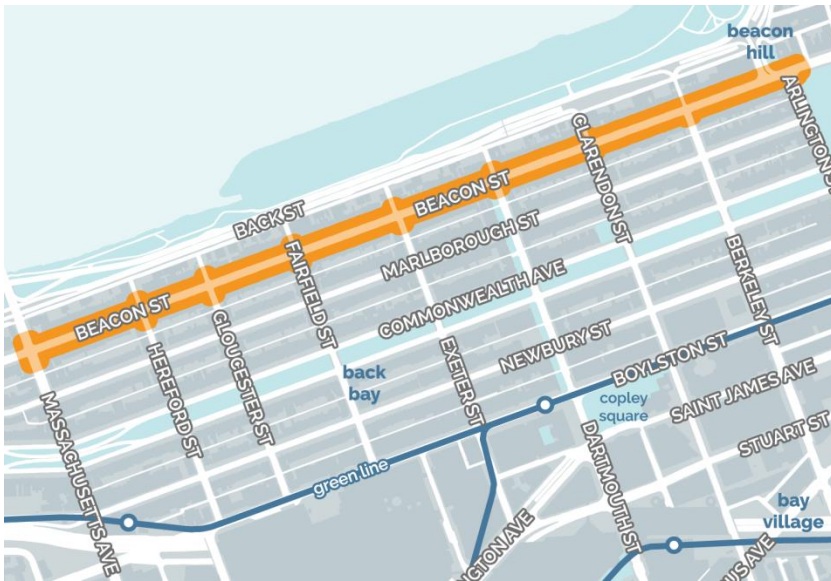

6 to 7:30 PM

**Boston Public Library, Commonwealth Salon
700 Boylston Street**

Beacon Street safety improvements

We have developed a concept design for Beacon St to slow drivers and improve safety for people who are walking, biking, and driving in the Back Bay.

We want to hear from people who live, walk, bike, and drive along Beacon Street. This community meeting is an opportunity to learn about the proposed redesign and give your feedback. Our work builds off a March 2016 meeting hosted by the Neighborhood Association of Back Bay and the public meeting that we held in June 2016.

Can't attend? You can still give feedback! We'll accept written comments after the meeting.
