BOSTON RESIDENTS JOBS POLICY
HISTORY AND EMPLOYMENT STANDARDS

It is the policy of the City of Boston to comply with all laws and regulations concerning the hiring of workers in
the construction process regarding federally assisted, city sponsored, and privately funded developments within
the City limits.

The purpose of this document is to provide compliance information to developers and contractors so that they
may more easily achieve compliance regarding the Boston Construction Employment Standards.

HISTORY

Chapter 30 of the Ordinance of 1983 established the Boston Residents Jobs Policy.

The Mayor's Executive Order of July 12, 1985, entitled The Executive Order Extending the Boston Residents
Jobs Policy, requires the Developer to prepare, and submit, and the authority to approve, a construction
employment plan.

The Boston Employment Commission has been established by an ordinance passed by City Council on July 30,
1986 and signed by the Mayor of the City of Boston. The Commission was created for the purpose of ensuring
that findings may be determined with respect to compliance of the Boston Residents Jobs Policy in a manner
that is comprehensive, consistent, and fair for all parties involved.

EMPLOYMENT STANDARDS

The Boston Residents Construction Employment Standards as set forth in the Mayor's Executive Order of July,
1985 entitled The Executive Order Extending the Boston Residents Jobs Policy, attached hereto as Exhibit A
and adopted by the Boston Redevelopment Authority on July 26, 1985. Specifically, the Executive Order
requires that the Developer's Construction Employment Plan shall ensure that on a craft by craft basis for
construction employment for the Project, the following Boston Residents Construction Employment Standards
are met:

(1) at least fifty (50) percent of the total employee worker hours in each trade shall be by bona-fide Boston
Residents.
(2) at least twenty-five (25) percent of the total employee worker hours in each trade shall be by
minorities; and
(3) at least ten (10) percent of the total employee worker hours in each trade shall be by women.

For the purpose of this Plan, employees shall include persons filling apprenticeship and on-the-job training
positions.

EXCERPT FROM THE BOSTON RESIDENTS JOBS POLICY
BOSTON EMPLOYMENT COMMISSION ORDINANCE

BEST FAITH EFFORTS

Developers and Contractors may rely on traditional referral methods in the hiring of journeymen, apprentices, advanced trainees and helpers. Developers and contractors also shall implement affirmative action steps, which include the following to the extent that such steps do not conflict with any collective bargaining agreement:

CONTRACTOR'S BEST EFFORTS

1. The contractor shall designate and shall require each subcontractor to designate an individual to serve as a compliance officer for the purpose of pursuing the Boston Residents Construction Employment Standards.

2. Prior to the start of construction, the contractor and each subcontractor then selected shall meet with appropriate representatives of the construction trade unions, representatives from the Boston Residents Jobs Policy Office, and the awarding or contracting authority for the purpose of reviewing the Standards and the estimated employment requirements for construction activity over the construction period of the Covered Project.

3. Whenever any person involved in the construction of a Covered Project makes a request to a union hiring hall, business agent or contractor's association for qualified workers, the requestor shall ask that those qualified applicants referred for construction positions be referred in the proportions specified in the Boston Residents Construction Employment Standards and shall, further, contain a recitation of such Standards. However, if the requesting party's workforce composition at any time falls short of any one or more of the proportions specified in the Standards, the requesting party shall adjust his or her request so as to seek to more fully achieve the proportions as specified in the Standards. If the union hall, business agent or contractor's association to whom a request for qualified employees has been made, fails to fully comply with such a request, the requesting party's compliance officer shall seek written confirmation that there are insufficient employees in the categories specified in the request and that such insufficiency is documented on the unemployment list maintained by the hall, agent or association. Copies of any confirmation so obtained shall be forwarded to the Commission. Copies of any requests for qualified employees made at the time that the requesting party's workforce composition falls short of any one or more of such Standards shall be forwarded contemporaneously to the Boston Residents Jobs Policy Office.
BEST EFFORTS (continued)

4. All persons applying directly to the Contractor or any subcontractor for employment in construction of a Covered Project who are not employed by the party to whom application is made shall be referred by said party to the Boston Residents Jobs Policy Office, and a written record of such a referral shall be made by said party, a copy of which shall be sent to said Compliance and Enforcement Division.

5. Contractors shall maintain a current file of the names, addresses, and telephone numbers of each Boston Resident, Minority and Woman who has sought employment with respect to a Covered Project, or who was referred to the contractor by the Boston Residents Jobs Policy Office, but was not hired. The contractor shall maintain a record of the reason any such person was not hired. (Amendment inclusion 9/26/86) If the construction of a Covered Project is subject to any union collective bargaining agreements, it shall be required that the employee complies with any lawful union security clauses contained in such agreement. (Amendment inclusion 9/26/86 ends)

6. The contractor shall in a timely manner complete and submit to the Commission a projection of the workforce needs over the course of construction of the Covered Project. Such a submission shall reflect the needs by trade for each month of the construction process.

7. The contractor shall obtain from each worker employed in the construction of the Covered Project, a sworn statement containing the worker's name and place of residence.

8. One week following the commencement of construction of the project, and each week thereafter until such work is completed, the contractor shall complete and submit to the Boston Residents Jobs Policy Office for the week just ended a report which reflects (a) for each employee, the employee's name, place of residence, race, gender, trade and total number of worker hours he or she worked, and (b) the total worker hours of its total workforce.

9. The contractor and each subcontractor shall maintain records reasonably necessary to ascertain compliance with the steps detailed in clauses (l) through (8) hereof for a least one year after the issuance of a Certificate of Occupancy for the Covered Project. In its review of records of a construction project submitted to demonstrate compliance with these steps, the Commission shall take into consideration any affirmative action outreach programs and affirmative action job training programs of the particular trades participating in the Covered Project.
DEVELOPER’S BEST EFFORTS

1. Developers of the Covered Project shall incorporate in every general construction contract or construction management agreement an enumeration of the Standards and shall impose a responsibility upon any such general contractor or construction management to take all steps enumerated in clauses (1) through (9), and to incorporate such Standards in all subcontracts and impose upon all subcontractors the obligation to take such steps.

2. The developer shall meet with the contractor no less frequently than weekly throughout the period of construction of the Covered Project to review the contractor’s compliance with such Standards and steps. The developer shall maintain minutes of such meetings and shall forward a copy of such minutes to the Boston Residents Jobs Policy Office within ten (10) days of such meeting.

3. The developer shall comply with the escrow deposits as requirements of the Boston Employment Commission.
SAMPLE LETTER INFORMING NEW SUBCONTRACTORS OF BOSTON RESIDENTS JOBS POLICY OBLIGATIONS

Dear:

All subcontractors performing work on the above referenced project must follow the following procedures and guidelines. Sincerely,

cc: Boston Residents Jobs Policy Office
