

EAST BOSTON, WE ARE INVESTING IN YOU!

Capital Plan for Fiscal Years 2020-2024

\$32.2M INVESTMENT

in high-quality facilities and infrastructure to better serve residents, including:

- **\$30 million** to design and construct a new East Boston Police Station.
- **\$2.2 million** for building repairs to the Engine 5 fire station, which includes a new roof and gutters, masonry work, window and door repairs, and drain improvements.

\$3M INVESTMENT

to rehabilitate the McArdle bridge.

\$3.3M INVESTMENT

in citywide climate resiliency planning efforts, including Jeffries Point and Porzio Parkin East Boston.

\$900K INVESTMENT

for a new masonry project at the Adams School to address needed repairs.

\$14.7M INVESTMENT

in high-quality and accessible community and gathering spaces for our residents, including:

- \$8.9 million to complete the building renovation to the BCYF Paris Street pool, which includes upgrades to the mechanical systems, bathrooms and locker rooms, pool deck, lighting system and entryway.
- \$1 million to convert the former Orient Heights branch library into a new senior center.
- \$4.8 million to rehabilitate Noyes Park, including updating the play lot, courts, fields, and lighting
