

## **Fenway Center**

***June 19, 2019***

**Developer: Gerding Edlin**  
**Developmental Impact Project Plan (DIPP)**

**General Contractor: John Moriarty & Associates, Inc.**

**Construction Cost: \$167.8 Million**                      **Construction Periods: 4/23/18 - 5/20/20**

**Construction Monitor: Manuel Barbosa**

**Completion Percentage: 20%**

**BRJP Goals:          50% Resident          25% People of Color          10% Female**

---

### **Project Description:**

**This project is located at 771-775 Beacon Street, Boston, MA.** Fenway Center Buildings 1 and 2 are designed as a single building, built over a common podium with two (2) levels of subgrade parking and one (1) level of retail / loading dock area. The site is bounded by Beacon Street, Maitland Street, David Ortiz Way and the Yawkey MBTA station.

Building 1 consists of one (1) retail level and six (6) residential levels, with interspersed common and mechanical areas. Building 2 consists of one (1) retail level and twelve (12) residential levels, with interspersed common and mechanical areas. The project contains approximately 339,000 square feet of retail and living units and features:

- 312 apartments
- 37,000 square feet of ground-floor retail
- 200 underground parking spaces
- 12,000 square feet of air-rights deck and landscaped pedestrian walkways

# Boston Employment Commission Project Review

## I. Overall Numerical Compliance

## Boston Employment Commission Project Review

---

### BRJP Highlights and Concerns:

- Payroll submission is at 5 days. Payrolls should be submitted within 7 business days after work week. Payrolls submitted on time help monitor the project in a timely manner.
- Prime Steel has done an excellent job meeting employment standards.
- JMA continues to “drive the bus” and show great leadership. With over 10,000 hours worked they have managed to surpass the employment standard for the Old and New Ordinances (73% BR, 53% POC, and 7% Female), in the Boston residents and People of Color category.
- To increase female percentage, JMA has hired Kamala Questel, who is now part of the labor union.
- Century Drywall has added 10 Boston Residents and 2 Females as of 5/2/19.
- Boston Resident verifications is at 91%. Continue excellent procedure set in place in collecting Boston Resident Verification Forms in a timely manner.
- Treviicos hired Bashir Hudson who is a Boston resident and a person of color.
- J.L. Marshall is struggling with the Boston Resident (16%) and Female (2%) categories. To date J.L. Marshall has hired 117 people which are the most on this project. Corrective action plan letter will be requested.

BRJP Compliance

Dear Kate,

We are currently staffing the Fenway Center project with current employees and are not hiring at this time. For this reason, we have not reached out to the union recently to inquire if anyone who meets the BRJP standards is available at this time. If in the future we do intend to hire journey people, we will make the inquiry and I will forward it to you.

We have requested new first year apprentices which will be available to us at some point in July, of which a portion of these apprentices will be assigned to the Fenway Center project. If we do have receive Boston residents when the time comes, I will make sure to assign them to this project. Please see attached formal request made to the union which specifically asks for employees that meet the BRJP standards.

If you have any questions, please contact the undersigned.

Very Truly Yours,

Michael Grenier

**Re: J. Derenzo Co. – Fenway Center Canopy**

Dear Kate:

J. Derenzo Co. (the "Company"), presents the following Compliance Plan in regards to our future workforce at Fenway Center Canopy (the "Project"). We are aware that the workforce requirements for the Project are for each subcontractor to employ a workforce consisting of the following: 50% Boston Residents, 25% Minority, and 10% Female. J. Derenzo Co. has job-to-date workforce numbers of: 12.27% Boston Residents, 15.9% Minority, and 5.05% Female.

**J. Derenzo Co.'s Compliance Process and Current Action Plan:**

J. Derenzo Co. aims to be strategic in effectively meeting, and exceeding, diversity workforce requirements across a growing number of projects in the City of Boston. We have created an in-house compliance group of payroll professionals who are responsible for the timely submission of weekly payroll reports. We capture each active job within a database which is closely monitored in light of the job's specific workforce requirements. Actual workforce numbers are then scrutinized by Resident, Minority, and Female percentages which are differentiated in terms of the last week-ending payroll cycle, to provide an accurate snapshot of the job's current status, as well as the total job-to-date, for broader context of its standing in totality.

I closely review these numbers each week to effectuate change as needed and as practicable. We run a weekly report that identifies all Resident, Minority, and Female employees active on our payroll. When necessary, we contact the Unions through workforce request letters and our Superintendents speak directly with the appropriate Business Agents to make specific requests for new employees. We look to other jobs, former employees, our present workforce, and make specific requests to the unions regularly.

Although utility crews are considered to be specialty crews, J. Derenzo Co. will continue to make our best faith effort to incorporate Boston Resident workforce and will place a specific focus on Boston Residents. Should you have any questions, please contact me directly.

Best Regards,

Jesse Berman
