WHEREAS, as more particularly described in the Application, the Master Development Project consists of the following: (i) 191 residential units ("Residential One Component", which will be located within the "Residential One Parcel"); (ii) 48 residential units ("Residential Two Component", which will be located within the "Residential Two Parcel"); (iii) approximately 220 hotel rooms and improvements related thereto consisting of approximately 146,000 square feet of hotel space ("Hotel Component", which will be located within the "Hotel Parcel"); (iv) approximately 52,140 square feet of garage space containing 151 parking spaces ("Residential Garage Component" which will be located within the "Residential Garage Parcel"); (v) approximately 23,826 square feet of garage space containing 69 parking spaces ("Non-Residential Garage Component" which will be located within the "Non-Residential Garage Parcel"); (vi) approximately 6,000 square feet of retail space ("Retail One Component" which will be located within the "Retail One Parcel"); and (vii) 4,000 square feet of retail space ("Retail Two Component" which will be located within the "Retail Two Parcel");

WHEREAS, the Residential One Parcel, Residential Two Parcel, Hotel Parcel, Residential Garage Parcel, Non-Residential Garage Parcel, Retail One Parcel and Retail Two Parcel constitute the entire master project area under the Application (the "Master Project Area");

WHEREAS, as noted in the Application, the Master Project Area will, following a conveyance of certain interests now held by Beverly Street Acquisition LLC, an affiliate of the Applicant, be owned in fee by the Massachusetts Department of Transportation ("MassDOT");

WHEREAS, prior to construction of one or more Components, MassDOT will ground lease its interest in the Master Project Area to Beverly Street Acquisition LLC (the "Ground Lease Tenant"), which Ground Lease Tenant will then enter into a sublease of the Non-Residential Garage Parcel (the "Project Area") to Owner (the "Sublease") to enable Owner to develop and operate the Non-Residential Garage Component (the "Project");

WHEREAS, Owner will enter into a sub-sublease of the Project Area (the "Sub-Sublease") to Beverly Street Garage I 1B, LLC ("Sub-Subtenant");

WHEREAS, the Authority approved the Project, an element of the Master Development Project, and consented to the designation of the Owner as the Owner of the Project by vote on August 13, 2015, adopting a certain Report and Decision on the Project and the Project Developer (the "Report and Decision");

WHEREAS, the Mayor of the City approved the Authority's approval and consent on August 19, 2015;

WHEREAS, the vote of the Authority and the approval of the Mayor of the City were filed with the office of the City Clerk on September 2, 2015 (the "Approval Date"), and such approval has become final and binding pursuant to the provisions of Chapter 121A; and

WHEREAS, pursuant to the provisions of Chapter 121A, the City and the Owner have determined to enter into this Agreement with regard to the Project.

NOW, THEREFORE, in consideration of the foregoing recitals and the good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Owner and the City agree, effective as of the January 1 following both the Owner's acquisition of a leasehold interest in the Project Area pursuant to the Sublease, and the Owner's entry into the Sub-Sublease with Sub-Subtenant of the Project Area, to allow for the development of the Project (the "Effective Date");

1. The Owner hereby agrees with the City that, subject to Paragraph Section 8 hereof, all activities of the Owner will be undertaken in accordance with the Application, the provisions of Chapter 121A as now in effect, the minimum Standards for the Financing, Construction, Maintenance and Management of the Project set forth in the Application, and the terms and conditions set forth in the Report and Decision of the Authority approving the Project, consenting to the designation of the Owner as a 121A entity and authorizing the Owner to undertake the Project, which are incorporated herein by reference. Such activities of the Owner will include, without limitation, the Ground Lease being executed by MassDOT to the Ground Lease Tenant, the Sublease from the Ground Lease Tenant to the Owner, the Sub-Sublease of the Project Area from the Owner to Sub-Subtenant and the construction and operation of the Project in accordance with the Application.

2. (a) Subject to the provisions and limitations of this Agreement, the Owner will pay to the Commonwealth of Massachusetts Department of Revenue or any successor department or agency ("DOR"), for each calendar year during which the Owner is subject to Chapter 121A and has the benefit of the tax exemption provided thereunder, the urban redevelopment excise required under Section 10 of Chapter 121A (the "Excise Tax").

(b) Subject to the provisions and limitations of this Agreement, the Owner will pay to the City with respect to each calendar year or portion thereof thereafter during which the Owner is subject to Chapter 121A and has the benefit of the real estate tax exemption provided thereunder, an amount (the "Differential Amount") equal to the difference between (i) the amounts set forth on Exhibit A hereto (the "Contract Amount"), and (ii) the Excise Tax paid.

For purposes of calculating the Excise Tax only, the term "Gross Income" shall mean only the revenues received by the Owner, and shall not include the income received by any Sub-Subtenant of the Owner.

All payments to the City shall be made on or before April 1 of each year. Late payments will bear interest at the rate equal to the rate charged for delinquent real estate accounts by the City's Collector-Treasurer pursuant to M.G.L. c. 60. The City shall have all rights and remedies available to it for the collection of the Contract Amount in the event the Owner breaches its duty to pay.

Without limitation of the foregoing, Sub-Subtenant, tenants and other occupants of the Project, and other persons or entities occupying or using the improvements of which the Project is a part, may pay amounts associated with their use and occupancy (including, without limitation, reimbursements and payments for common area maintenance, management, imposts, operating expenses and related fees) directly to the landlord/licensor under their leases, occupancy agreements or other applicable agreements, which amounts shall not be included in the Gross Income.

Any personal property within the Project that is owned by entities other than the Owner is not subject to this Agreement or the exemption granted pursuant to M.G.L. c. 121A.

- (c) Payment of amounts due hereunder shall be equitably prorated for any partial year during the periods set forth in this Section. Payment to the City of any Differential Amount shall be made by no later than April 1 of each calendar year in which such a payment is due.
3. (a) The Owner shall file with the Commissioner of Assessing and the Authority by February 10 following the end of each calendar year during which this Agreement is in effect a computation for such calendar year under the applicable formula set forth in Section 2 above, including, without limitation, the Contract Amount and the Differential Amount certified by an authorized representative of

the Owner. Further the Owner shall file with the Commissioner of Assessing and the Collector-Treasurer of the City by April 1st of each calendar year during which this Agreement is in effect: (i) a certified copy of the Owner's urban redevelopment excise tax return for the preceding calendar year as filed with DOR; (ii) a statement of profit and loss, a balance sheet and a statement of receipts and disbursements for the Project for the preceding calendar year; and (iii) audited financial statements for the Owner for the preceding calendar year.

4. The Owner shall allow the Commissioner of Assessing, or a representative of the Commissioner designated in writing, to examine all Excise Tax Returns and all attachments thereto filed by the Owner with the DOR.
5. Any Overpayment (as defined below) by the Owner with respect to any calendar year with respect to the Project shall be refunded by the City to the Owner as soon as practicable after the sending of a written notice to the City by the Owner of the discovery of such overpayment. Provided notice is received as herein stated, in the event that the amount of any Overpayment is not refunded prior to the date on which the next payment by the Owner becomes due under this Agreement, the Owner shall be entitled to offset the amount of such Overpayment against such next payment. For the purposes of this Agreement, an Overpayment by the Owner with respect to any calendar year shall include the following, but only to the extent that the following exceed collectively the Contract Amount for that calendar year: (a) (i) amounts paid by the Owner to the Commonwealth of Massachusetts, the City or the Authority with respect to the Project pursuant to Sections 10, 15, and 18C of Chapter 121A; (ii) any amounts paid by the Owner to the City as real estate or personal property tax pursuant to M.G.L. c. 59, as amended, or any successor statutes, with respect to the Project or the Project Area for any period during which this Agreement is in effect; or (b) amounts paid with respect to the Project or the Project Area as a different or additional tax resulting from the replacement of the current method of assessment of real estate taxes, provided however that such Overpayment shall not include the excise imposed by M.G.L. c. 64G, or any different or additional tax which does not result in the actual reduction of the City's real estate tax levy; or (c) any amounts paid by the Owner to the City of Boston with respect to the Project in excess of amounts actually due under this Agreement due to calculation error, inaccurate information or other inadvertent mistake after the end of the Owner's fiscal year on December 31. The notice shall be accompanied by supporting documentation, including but not limited to, ward and parcel number, the date payment was made to the DOR and/or to the City, the Contract Amount and the Excise Tax paid, and copies of both sides of all relevant cancelled checks.

Notwithstanding the foregoing, the City shall not be obligated to refund any Overpayment and/or grant any credit for interest, late fee, penalties or fines that may have been assessed if such Overpayment was due to either the Owner's failure to provide the financial information required by Section 3 of this 6A Contract or to the Owner's intentional provision of misleading financial information.

Notwithstanding the foregoing, any taxes assessed pursuant to Chapter 59 prior to the Effective Date shall not be the basis of a claim of Overpayment, e.g. if the Effective Date is January 1, 2016, the first and second quarter tax bills issued by the City shall not be the basis of a claim of Overpayment.

6. The Assessing Department hereby determines, in accordance with the seventh paragraph of Section 10 of Chapter 121A, that the fair cash value of the real and personal property constituting the Project, as of January 1, 2016, and for each succeeding January 1 until and including the year next following the year in which the Owner's property tax exemption under Chapter 121A shall terminate, shall be an amount which, when used in the computation of the Excise Tax for or with respect to the previous calendar year, would not result in an Excise Tax greater than the Contract Amount due for such prior year. The Assessing Department agrees to certify to DOR and the Owner, pursuant to the second paragraph of Section 10 of Chapter 121A, on or before March 1 of each year a fair cash value calculated in accordance with the preceding sentence. The Assessing Department acknowledges that the Project constitutes all the real and personal property of the Owner for which it is required to establish a fair cash value under the provisions of Section 10 of Chapter 121A.
7. The obligations of the Owner under this Agreement Contract and the Report and Decision are conditioned in all respects upon (i) the acquisition of a leasehold interest in the Project Area by the Owner pursuant to the Sublease; (ii) the issuance of all permissions, variances, permits and licenses which may be required with respect to the construction, maintenance and management of the Project, whether or not the same were specified in the Applications; and (iii) the Project being exempt from taxation under Section 10 of Chapter 121A. The Owner shall not be held in any way liable for delays which may occur in the construction, repair and maintenance of the Project, or otherwise, by reason of scarcity of materials or labor, labor difficulties, damages by fire or other casualty or any other cause beyond the Owner's reasonable control. The Owner agrees to use reasonable efforts to cause all such permissions, variances, permits and licenses to be secured and all such delays to be overcome.
8. The Term of this Agreement shall commence on the Effective Date and expire on the date that is fifteen (15) years after the Effective Date, subject to any rights of the Owner to seek termination of the status of the Project as a 121A project as provided by law. The expiration dates set forth above shall also be extended by the Effective Date Extension Period (as defined in the Application), for an additional eight (8) year period, if applicable, in accordance with the terms of this Agreement, including Exhibit A hereto, and the Application.

Notwithstanding the foregoing, upon termination of this Agreement the Owner shall pay or cause to be paid a gap payment to cover the time period between the termination date and the date the Project Area becomes taxable pursuant to Chapter 59 of the General Laws. The gap payment shall be equal to the Contract Amount that would have been made for such period if the Project had remained subject to

this Agreement. The gap payment for the balance of the calendar year during which this Agreement terminates shall be payable on or before March 15 of the year following the year in which the Agreement terminates. Such amount for the first six (6) months of the year following the year in which this Agreement terminates shall be payable on or before June 30 of the year following the year in which this Agreement terminates. After termination, the Project shall not be subject to the obligations of Chapter 121A, enjoy the rights and privileges thereunder, or be subject to the terms, conditions, and obligations of this Agreement as provided in Chapter 121A; provided, however, the deviations and permissions granted by the Authority pursuant to the Report and Decision, shall survive such termination and shall remain in effect.

9. Notwithstanding any language to the contrary in the Application or any other document entered into between the Authority and the Owner, no amendment or modification of the terms and conditions of this Agreement shall be binding on the City without the prior written consent of the City. The Owner and the City further agree that, without mutual consent, any amendment subsequent to the delivery of this Agreement of any of the provisions of Chapter 121A of the General Laws or of Chapter 652 of the Acts of 1960 or of the Rules, Regulations and Standards now applicable to the Project shall not affect this Agreement.

In the case of the Owner no successor shall benefit from the provisions of this Agreement unless it has been approved by the Authority. Each and every obligation and condition contained in this Agreement, in the Report and Decision, in the Application, or in any agreement or undertaking relating to the Report and Decision or the Application, shall be construed to apply only to the Project. The liability of the undersigned shall be limited solely to its interest in the Project, and no partner, member, venture, trustee, beneficiary, shareholder, officer, director, employee, agent, or the like of the Owner or their respective affiliates, successors or assigns (including, without limitation, mortgagees), or any person or entity directly or indirectly holding any interests in any of the foregoing from time to time, shall have or be subject to any personal liability hereunder or under any agreement or undertaking related hereto or required hereby. The City acknowledges and agrees that pursuant to the Report and Decision adopted by the Authority for the Owner, in the future, after completion of construction of the Master Development Project, MassDOT may terminate or amend the Ground Lease with the Ground Lease Tenant to the effect that there will be a separate ground lease of the Project Area either (i) to the Ground Lease Tenant or (ii) directly to the Owner.

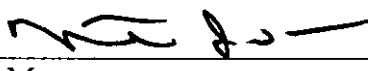

12. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to the other persons and circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law, provided that the substantive economic terms of this Agreement are not materially altered.
13. In order to facilitate potential separate ownership and financing of the Master Project Area, the Owner of each Component of the Development shall be liable only for those obligations hereunder that relate to such Component. Notwithstanding anything contained herein to the contrary, any non-compliance by any Component of the Development with respect to its particular Project or the terms of its respective Agreement in accordance with the terms of Section 6A of M.G.L. c. 121A shall not affect the compliance of any other Parcel.
