This Contract executed as of the ___ day of ___ 2017, under Sections 6A, 10, 15 and 18C of Chapter 121A of the General Laws of the Commonwealth of Massachusetts, is by and between Residential Tower Owner, LP, a Delaware limited partnership (hereinafter called the “Owner”) and the City of Boston, a municipal corporation of the Commonwealth of Massachusetts (hereinafter called the “City”).

WITNESSETH THAT:

WHEREAS, Boston Garden Development Corp. and Boston Properties Limited Partnership caused to be filed with the Boston Redevelopment Authority (the “Authority”) an Application for Authorization and Approval by the Authority of a Project Under Chapter 121A of the General Laws of the Commonwealth of Massachusetts and Chapter 652 of the Acts of 1960, each as amended, dated September 3, 2013, revised on October 22, 2013 and updated on December 6, 2013 (collectively, the “Application”), with respect to a mixed-use development of approximately 1,870,000 square feet on a parcel of land more particularly described on Exhibit A attached hereto (the “Project Area”);

WHEREAS, such Application was approved by the Authority by vote on December 19, 2013, adopting a certain Report and Decision (the “Report and Decision”);

WHEREAS, the Mayor of the City approved the Authority’s approval on December 20, 2013;

WHEREAS, the vote of the Authority and the approval of the Mayor of the City were filed with the office of the City Clerk on December 20, 2013 (the “Approval Date”);

WHEREAS, pursuant to that certain Memorandum Specifying Effective Date of Report and Decision for Boston Garden Project, entered into by and between the Authority and Owner on November 16, 2015, the effective date of the Report and Decision is January 1, 2015;

WHEREAS, following acquisition of the portion of the Project Area described on Exhibit A-1 attached hereto (the “Residential Tower Project Area” or “Residential Tower Parcel”), the Owner entered into a ground lease of the Residential Tower Project Area (the “Ground Lease”) with Residential Tower Developer LLC, an affiliate of the Owner (the “Developer”) for development of a Residential Tower including planned 440 (and potentially up to 497) dwelling units (the “Residential Tower”);

WHEREAS, the City and the Owner desire to enter into this contract (this “Contract”).

NOW, THEREFORE, the Owner and the City agree, effective as January 1, 2017 (the “Effective Date”), as follows:
1. The Owner hereby agrees with the City that, subject to paragraph 8 hereof, all activities of the Owner will be undertaken in accordance with the provisions of Chapter 121A as now in effect, and the Report and Decision, including without limitation the Minimum Standards for the Financing, Construction, Maintenance and Management of the Project referenced therein (collectively, the “Approval”), which are incorporated herein by reference. Such activities of the Owner will include acquisition of the Residential Tower Project Area, leasing the Residential Tower Project Area to the Developer, and causing the Residential Tower to be constructed, maintained and managed.

2. Subject to the provisions and limitations of this Contract, the Owner will pay to the Department of Revenue of the Commonwealth of Massachusetts (“DOR”), for each calendar year during the Term of this Contract, the urban redevelopment excise required under Section 10 of Chapter 121A (the “Excise Tax”). For purposes of calculating the Excise Tax only, the term “Gross Revenue” shall mean only the revenues received by the Owner, and shall not include income received by any Tenant or Subtenant of the Owner.

3. Subject to the provisions and limitations of this Contract, the Owner will pay to the City, with respect to each calendar year during the Term of this Contract (and a pro-rated gap payment as described in Section 9 with respect to any portion of a calendar year following the expiration or earlier termination of the Term of this Contract), the amount (the “Differential”), if any, by which the following amounts (the “Contract Amount”) exceed the Excise Tax for such calendar year:

   a. During the Term of the Contract the Contract Amount payable with respect to the Residential Tower shall be as set forth in Exhibit C.
   b. Any personal property within the Project that is owned by entities other than the Owner is not subject to this Agreement or the exemption granted pursuant to M.G.L. c. 121A.

Payments to the City, by and through its Collector- Treasurer, of any Differential for each calendar year and partial year during the Term of this Contract shall be made by no later than April 1 of the following year. Because the Differential payment is made with respect to the preceding calendar year, no Differential payment is due under this Contract until April 1 of the year following the calendar year during which construction of the Residential Tower commences.

4. The Owner shall file with the Assessing Department by February 1st of each calendar year beginning on February 1, 2018, and continuing until February 1st of the first calendar year following the year during which construction of the Residential Tower has been completed and occupied (“Construction Completion”) the information set forth in Exhibit B, certified by an authorized representative of the Owner. On February 1st of the
calendar year following Construction Completion, and each year thereafter during the Term of this Contract, the Owner shall file a response to the information request attached as Exhibit D. Further, the Owner shall file with the Assessing Department and the Collector-Treasurer of the City by April 1st of each calendar year during the Term of this Contract a certified copy of the Owner’s urban redevelopment excise tax return for the preceding calendar year as filed with the DOR.

5. The Owner hereby authorizes the Commissioner of Assessing, or a representative of the Commissioner designated in writing, to examine from time to time all urban redevelopment excise tax returns and attachments thereto filed by the Owner with the DOR by the Owner. No further evidence of this authorization shall be required. In addition, the Owner shall provide to the City a copy of any filing made to the DOR within 30 days of such filing. For all payments made to the DOR, the Owner will provide a detailed breakdown indicating what portions of the payment, if any, were for penalties or interest, including the yard and parcel number to which those payments were applied.

6. Any Overpayment (as defined below) by the Owner with respect to any calendar year shall be refunded by the City to the Owner within sixty (60) days of the sending of a written notice to the City by the Owner of the discovery of such overpayment, and only if the Overpayment is not due to the Owner’s failure to provide the financial information required by this contract or to the Owner’s intentional provision of misleading financial information. In the event that the amount of any Overpayment is not refunded prior to the date on which the next payment by the Owner becomes due under this Contract, the Owner shall, notwithstanding anything else herein to the contrary, be entitled to offset the amount of such Overpayment against such next payment. For purposes of this Contract, an Overpayment by the Owner with respect to any calendar year shall include: (A) amounts paid by the Owner to the Commonwealth of Massachusetts with respect to the Residential Tower pursuant to Sections 10, 15 and 18C of Chapter 121A which exceed for such calendar year the Contract Amount; and (B) any amounts paid by the Owner to the City as real estate taxes pursuant to Massachusetts General Laws, Chapter 59 with respect to the Residential Tower for any period during which this Contract is in effect, whether assessed to the Owner or to any predecessor in title of the Owner; and (C) amounts paid as a different or additional tax resulting from the replacement of the current method of assessment of real estate taxes, in whole or in part, by a different method or type of tax or the imposition of an additional type of tax to supplement the current method of assessing real estate taxes, in either case upon the Owner, the Developer, the tenant(s), subtenant(s) and/or subsubtenants of the Owner, the Developer, or the Residential Tower (such different or additional tax, for example, would include a general or a specific assessment, user fee, tax on real estate rental receipts or any other tax imposed on or required to be collected and paid over by the Owner, the Developer under the Ground Lease, or subtenants thereof for the privilege of doing business in the City, for the employ of employees in the City or for the consummation of sales in or from the City or levied against real estate or upon the owners or users of real estate as such rather
than persons generally for any period during which this Contract is in effect); and (D) any amounts paid by the Owner in excess of amounts actually due as a result of calculation error, inaccurate information, inadvertent mistake or other cause.

7. The Assessing Department hereby determines, in accordance with the seventh paragraph of Section 10 of Chapter 121A, that the fair cash value (the “FCV”) of the real and personal property constituting the Residential Tower, as of the Effective Date, and for each succeeding January 1 during the Term of this Contract, shall be the amount which, when used in the computation of the Excise Tax for or with respect to the previous calendar year, would result in an Excise Tax no greater than the Contract Amount due for such prior calendar year. Additionally, said FCV won’t exceed the Chapter 59 fair market value of the property as of the January 1 preceding the FCV date, as determined in accordance with Exhibit C. The Assessing Department agrees to certify as to each of the foregoing FCV dates and amounts to the Department of Revenue and the Owner on or before March 1 of each year during such periods, pursuant to the second paragraph of Section 10 of Chapter 121A. The Owner may contest said valuations as provided under said Section 10.

8. The obligations of the Owner under this Contract and the Report and Decision are conditioned in all respects upon (i) the acquisition of the Residential Tower Project Area by the Owner; (ii) the execution of the ground lease described in the Report and Decision; (iii) the issuance of all permissions, variances, exceptions, permits and licenses which may be required with respect to the construction, maintenance and management of the Residential Tower; and (iv) the Residential Tower being exempt from taxation under Section 10 of Chapter 121A as provided in the Report and Decision. The Owner shall not be held in any way liable for delays which may occur in the construction, repair and maintenance of the Residential Tower, or otherwise, by reason of scarcity of materials or labor, labor difficulties, damage by fire or other casualty or any other cause beyond the Owner’s reasonable control. The Owner agrees to use reasonable efforts to cause all such permissions, variances, exceptions, permits and licenses to be secured and all such delays to be overcome.

9. This Contract shall continue for a term (the “Term”) commencing on the Effective Date, and terminating on December 31, 2029, or such earlier date as the Contract shall be sooner terminated, including, without limitation, pursuant to any rights the Owner has under the Report and Decision to seek to terminate the status of the Residential Tower as a 121A project. After termination, the Residential Tower shall not be subject to the obligations of Chapter 121A, enjoy the rights and privileges thereunder, or be subject to the terms, conditions, and obligations of this Contract as provided in Chapter 121A; provided, however, the deviations and permissions granted by the Authority pursuant to the Report and Decision, shall survive such termination and shall remain in effect.

Notwithstanding the foregoing, upon termination of this Contract the Owner shall pay or cause to be paid a gap payment to cover the time period between the termination date and
the date the Residential Tower becomes taxable pursuant to Chapter 59 of the General Laws. The gap payment shall be equal to the Contract Amount that would have been paid for such period if the Residential Tower had remained subject to this Contract. The gap payment for the year during which this Contract terminates shall be payable on or before April 1 of the year following the year in which the Contract terminates. An additional gap payment, if any, for the first six (6) months of the year following the year in which this Contract terminates shall be payable on or before June 30 of the year following the year in which this Contract terminates. Unless the Contract is terminated prior to the expiration of the Term on December 31, 2029, the gap payment shall cover the time period between January 1, 2030 and June 30, 2030.

10. The Owner and the City agree that, without mutual consent, any amendment subsequent to the delivery of this Contract of any of the provisions of Chapter 121A of the General Laws or of Chapter 652 of the Acts of the 1960 or of the Rules, Regulations and Standards now applicable to the Residential Tower shall not affect this Contract.

11. All notices required or permitted pursuant to this Contract shall be in writing, signed by a duly authorized officer or representative of the City or the Owner, as the case may be, and shall be either hand delivered or mailed postage pre-paid, by registered or certified mail, return receipt requested and shall be deemed given when delivered, if by hand, or three (3) business days after deposited with the U.S. Postal Service, if mailed to the principal office of the party to which it is directed, which is as follows unless otherwise designated by written notice to the other party:

<td>2017 through 2029</td>
<td>An amount equal to the amount of any real estate and personal property taxes that would have been paid to the City under M.G.L. c. 59 as amended or any successor statute**, with respect to the Residential Tower Parcel and personal property of the Owner, if such property were not subject to M.G.L. c. 121A</td>

** For the purposes of this Contract, an “amount equal to the amount of any real estate and personal property taxes that would have been paid to the City under M.G.L. c. 59 as amended or any successor statute” will utilize a valuation date of the January 1 initiating said payment schedule’s calendar year. Additionally, to determine the applicable tax rate, the City will average the tax rates for the two fiscal years contained within the payment schedule’s calendar year. For example, the Contract Amount for calendar year 2022, which would due and payable on April 1, 2023: (a) would be based upon a Chapter 59-derived value of the Residential Tower Parcel as of January 1, 2022, and (b) the residential tax rate applied would be the average of the residential tax rates in effect for fiscal years 2022 and 2023.
