INTERPRETATION: 12:00 p.m.

Case: BOA-957741 Address: 55 Hull Street Ward: 3 Applicant: Michael Bonetti

Purpose: The petitioner's seeks a determination that the Inspectional Services Department erred in issuing the permit A940919, The permit was issued as an allowed use.

Discussion: At the request of the Board, the petitioner presented his argument that ISD erred in issuing an amendment permit as an allowed use to the applicant for 55 Hull Street. Petitioner argued that the BPDA small project review process was not followed and therefore ISD should not have issued the amendment permit.

Board Members asked about the amendment permit for the building façade and pending litigation relative to the issuance of the underlying permit. The Board asked if a design review component was required by ISD. Assistant Commissioner Thai stated small project review was not required. BPDA approved the design component and that was sufficient for ISD to issue the permit.
