HOUSEHOLD EMERGENCY KIT CHECKLIST

GET IT IN YOUR KIT!

Keep enough supplies in your Household Emergency Kit to last you and your family at least 3 days. Though you should personalize your Kit to suit your specific needs, below are some key items that will start you on the road to being ready!

- Water: one gallon a day per person for drinking and sanitation
- Food: non-perishable that does not require cooking
- Manual can opener
- First aid kit
- Battery powered AM/FM radio & extra batteries
- Flash light & extra batteries
- Toiletries & personal items
- Filter mask
- Phone that does not require electricity
- Whistle
- Garbage bags & plastic ties for personal sanitation
- Blankets
- Warm clothes & extra changes of clothes
- Wrench or pliers to turn off utilities
- Other items such as: prescription medication, pet supplies, baby necessities, and copies of important documents
