What would you change about the streets in Lower Roxbury?

I would like the bus to be on time more because it makes people late for work. They should have security on the bus to keep the druggies from starting fights.

What would you change about the streets in Lower Roxbury?

The timing of the Silver Line buses could be better. A lot of times, two come at once, then none for a while.

What would you change about the streets in Lower Roxbury?

I think bus drivers should be more tentative about letting people on when they don’t have the full fare.

I like that there are a lot of ways to get around the city.

What would you change about the streets in Lower Roxbury?

- Bus service gets too slow in the winter.
- Bus drivers don’t stop to let people on even when not in service.
- I use apps to see when it’s coming.
- There should be a competitive service to the MBTA.
