

MATTAPAN, WE ARE INVESTING IN YOU!

Capital Plan for the Fiscal Years 2020-2024

\$4.5M INVESTMENT

in safe, reliable, and equitable street and transportation infrastructure. Including:

- improvements to Cummins Highway from River Street in Mattapan Square to Harvard Street, including road reconstruction, new pedestrian ramps, enhanced bike access, new tree plantings, and improved lighting.
- redesigning Mattapan Square and creating a direct crossing of Blue Hill Avenue between Mattapan Station and River Street/Cummins Highway. This project will also introduce a bus/bike lane from Mattapan Station to Babson Street on Blue Hill Avenue.

"Investing in transportation that works for everyone – whether you walk, bike, take public transportation or drive – is our key goal as we continue to improve transportation in Boston."

– Mayor Martin J. Walsh

\$2M INVESTMENT

for our shared community spaces. Including:

- a **\$1.9M investment** for interior renovations of the **BCYF Mattahunt Community Center**. This includes refurbishing the lobby, gymnasium, community room, and computer lab.
- a **\$600K investment** for upgrades to the play lot at **Walker Playground**.
