BRJP Highlights and Concerns:

- The project had a BEC Special Presentation on 05/15/19. The project is at 25% Complete.
- JMA payroll submissions are currently at 5 days. This exceeds the BRJP submission goal of 7 days.
- JMA resident verification is low at 73% verified; there are 10 residents that have not been verified out of the 37 residents on the project.
- J. Derenzo who is the 3rd largest subcontractor onsite is leading the charge on workforce participation by exceeding goals for POC at 35% & Female at 11%. Their Resident participation is at 31%.
- JMA self-performing Carpenter's and Laborers need to increase their workforce participation in the category of Residents at 18% & Female at 0%.
- S&F Concrete is currently the 2nd largest subcontractor onsite with low Resident participation at 21%, they have exceeded the POC goal at 38% and Female participation is at a good start at 5%.
- The Laborers trade (1st major trade) is exceeding the goals of POC at 38% & Female at 12%. They are on their way to meeting the Resident goal at 47%.
- The Carpenter (2nd major trade) is struggling with low workforce diversity with only 3% Resident & 0% Female. The POC participation is 40% which exceeds the goal. The following subcontractors (JMA & S&F Concrete) are contributing to the low Resident & Female participation.
- 5 Work Request forms have been submitted on behalf of New England Foundation (1), Valente Mechanical (3) & Beacon Waterproofing (1).

RECOMMENDATIONS:

The BRJP Office recommends that JMA:

- Conduct a corrective action meeting by 11/15/19 with the following subcontractors and their respective Union Business Agent: Beacon Waterproofing, New England Foundation, Precision Steel Placers, S&F Concrete & State Electric. **Subcontractors Corrective Action Plans will be provided at BEC Meeting.**
- Review all upcoming subcontractor's that employ carpenters to make sure they have a good work force participation plan before they start onsite. In addition, make sure the Carpenter's Business Agent is in contact with them to provide assistance as well.

Joe,

I appreciate you reaching out proactively for female plumbers, we did have 2 available but unfortunately they both went to work on Monday. I wish all of our contractors we as proactive as you. I'm sure we can fulfill the Boston plan requirements with your early approach.

Thank you,
