MORE INFORMATION

boston.gov/transportation/lower-roxbury

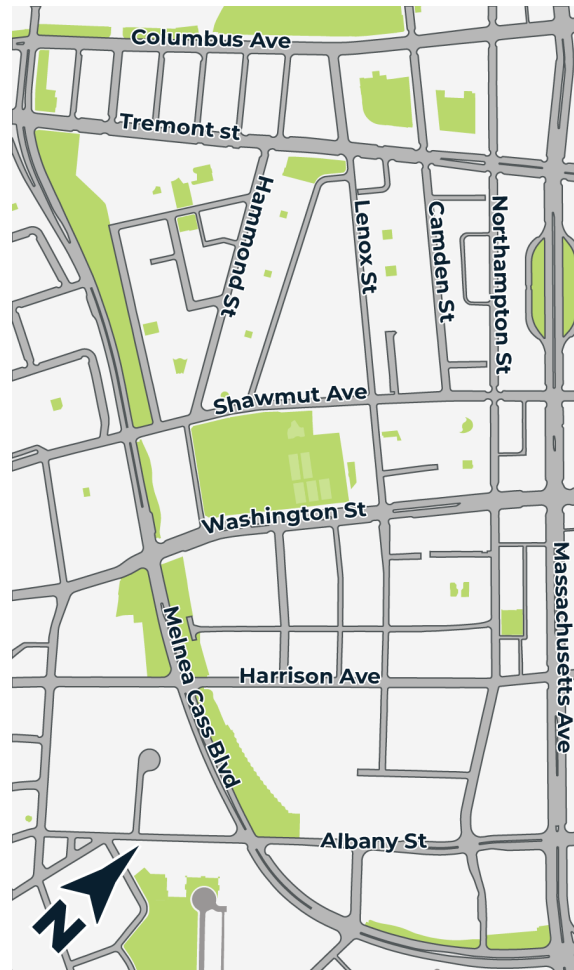

LOWER ROXBURY TRANSPORTATION STUDY

Lower Roxbury residents and stakeholders asked us to take a broad look at transportation in the neighborhood. Over the coming months, we will collaborate with community members to identify ways we can highlight assets and identify opportunities for change on Lower Roxbury's streets.

STUDY AREA

The project area is bounded by, but does not include, Columbus Ave, Massachusetts Ave, and Melnea Cass Blvd.

SHARE YOUR THOUGHTS

This fall, we will be in Lower Roxbury asking people their thoughts about their neighborhood. We will hold a series of "**Ideas on the Street**" **pop-ups** at locations around Lower Roxbury. We invite residents to participate in a **walking tour** of neighborhood streets. Then, we'll host two **open houses** to share what we've heard and collaboratively begin identifying next steps.

We invite you to attend these events and share your thoughts with us.

SEE THE BACK OF THIS BROCHURE FOR UPCOMING DATES AND LOCATIONS.
