## Cabinet Mission

The mission of the Environment, Energy and Open Space Cabinet is to coordinate several City departments and programs to enhance sustainability, preserve historic and open space resources, protect the health and safety of the built environment, prepare for climate change, and provide public spaces to gather and recreate in Boston. The Environment, Energy and Open Space Cabinet includes initiatives that reduce energy use in municipal buildings and in the community with Renew Boston, enforce the right to a healthy home, engage the community on sustainability with Greenovate Boston, promote waste reduction, and expand the network of street trees.

## Program 1. Environment

## Carl Spector, Manager, Organization 303100

## Program Description

The Environment Program works to enhance the quality of Boston's air, water, and land, and the integrity of its architecture and historic resources. The program researches and writes study reports, prepares National Register nominations, and performs design review of properties subject to landmark, local, district, and National Register review. The Program is focused on implementing the Mayor's commitment to sustainable development, climate protection, and the environment by reviewing environmental impact assessments, issuing permits and providing information and referral services on environmental issues. Through participation in various local, state, and federal review processes, the program seeks to increase the accessibility and quality of Boston's water and riverfronts. The program provides improved access to energy efficiency services for both residents and businesses.

## External Funds Projects

## Archeology Fund

## Project Mission

This grant fund will accept and expend donations and honorariums. Expenses will include supplies in support of the field, laboratory, and museum activities of the City Archaeology Program.

## BARR/BEDF Energy Efficiency Grant

## Project Mission

This one time grant for $\$ 200,000$ awarded in FY14 from the BARR Foundation, will support the creation of standardized construction documents for energy efficiency projects as well as other studies of how to improve energy efficiencies in school buildings. The Environment Department will work collaboratively with the Boston Public Schools.

## Boston Pollution Abatement Fund

## Project Mission

The Pollution Abatement Fund was established in 1984 to receive funds from environmental permits and fines which are to be expended by Air Pollution Control Commission in support of pollution abatement programs. The Fund has received permit fees from the South Boston Parking freeze and has been used to administer the Freeze and associated air pollution reduction efforts pursuant to 310CMR 7.33 and the Federal Clean Air Act. The fund provides grants for pollution abatements, vehicle retrofits, and air pollution research.

## Climate Action Plan Update Grant/ BARR Foundation

## Project Mission

This is a one-time grant for $\$ 170,000$ given by the BARR Foundation, that will help update the city's 2014 Climate Action Plan in order to reduce greenhouse gas emissions and meet the City's Climate Action Goals. Spending will be complete in FY17.

## Climate Preparedness Grant

## Project Mission

This is a one-time grant for $\$ 170,000$, given by the BARR Foundation, which will provide for a two-year Climate Preparedness Fellow to pursue implementation of the climate preparedness strategies and actions in the 2014 Climate Action Plan. Spending will be complete in FY17.

## Greenovate Fellowships

## Project Mission

The BARR Foundation donated $\$ 170,000$ to support two fellowships. The Fellows have provided support to existing and new environmental policies expanded the media presence of the Greenovation agenda and promoted citywide participation in energy and other sustainability programs. The Fellowships expire in FY16.

## Groundwater/Well System

## Project Mission

This state funded grant has been used to test a new porous pavement technology, which will help reduce flooding, sewer overflows, and storm water pollution. Spending was completed in FY15.

## Project Mission

This funding enables USDN core members, associate members, and partners to explore together the potential benefits and various complexities of developing multi-user micro-grids with or without district energy in cities.

Municipal Waterways Account

## Project Mission

This funding will support maintenance, dredging, cleaning and improvement of harbors, inland waters and great ponds of the commonwealth, the public access thereto, the breakwaters, retaining walls, piers, wharves and moorings thereof, and law enforcement and fire prevention.

## Renew Boston

## Project Mission

This ongoing fund will accept and expend utility funds and other donations in support of Renew Boston Programming. Funds will be spent on community-based outreach services to promote residential and small business energy efficiency and solar projects.

Solar Renewable Energy Certificates

## Project Mission

A revolving fund authorized (by Chapter 44, Section 53E $1 / 2$ ) to facilitate the sale of solar renewable energy certificates produced by the City's solar photovoltaic arrays at 201 Rivermoor Street and 400 Frontage Road, and to facilitate the purchase of offsets of greenhouse gas emissions to further "green" the City's electricity use.

## National Register Nomination

## Project Mission

National Register Nomination is an annual grant from the Massachusetts Historical Commission. This survey and planning grant allows the Boston Landmarks Commission to support the third and final phase of a comprehensive survey of cultural resources in the North End neighborhood of the City of Boston.

The Roof Top Solar Challenge

## Project Mission

The Roof Top Solar Challenge grant is provided by the Massachusetts Department of Energy Resources to assess the potential to install roof top solar on municipal buildings. This program was completed in FY15.

## Urban Agriculture Visioning

## Project Mission

This is a $\$ 25,000$ planning grant to facilitate the creation of an urban agriculture action plan aimed at better aligning Boston's urban growing sector, and creating metrics and milestones for success in urban agriculture.

## Environment Department Capital Budget

## Overview

As part of Boston's implementation of Imagine Boston 2030 the city will reduce energy consumption and prepare for climate change.

## FY18 Major Initiatives

- Launch the first round of self-financing energy efficiency projects in City buildings under the Renew Boston Trust program, to reduce climate impacts and achieve recurring energy savings.
- Development of more detailed climate plans for Boston neighborhoods at risk for coastal flooding, as recommended by Climate Ready Boston.
- Improve energy management and increase efficiency in City buildings through targeted capital design processes and building assignments.

## Inspectional Services Department Operating Budget

## William Christopher, Commissioner, Appropriation 260

## Department Mission

The mission of the Inspectional Services Department (ISD) is to serve the public by protecting the health, safety, and environmental stability of Boston's business and residential communities. To this end, ISD effectively administers and consistently enforces building, housing, and environmental regulations within the City of Boston. The department will continue to use its resources to protect and improve the quality of life in Boston's neighborhoods by providing public information, education, and enforcement.

## Selected Performance Strategies

## Administration \& Finance

- Ensure compliance w. City's foreclosed/vacant bldg ord.
- Manage the department's legal case load.
- To hear Zoning Board of Appeal cases in a timely manner.
- To improve responsiveness to constituent requests.

## Buildings \& Structures

- To ensure the safety of buildings by tracking their compliance with codes by means of scheduled inspections.

## Field Services

- Prevent housing emergencies and violations.
- Reduce risk of foodborne illness or disease.
- Respond to cleanliness \& environmental safety complaints
- To ensure devices that vendors use to weigh and measure products are accurate.
- To respond to animal control issues and complaints.

## Description of Services

The Inspectional Services Department provides a broad range of regulatory services that include the inspection of buildings for compliance with building and public safety regulations, general housing inspections, and retail food establishment inspections for compliance with public health regulations. The Department provides services to victims of serious incidents such as fire, building collapse, power failure, etc., by providing coordination and assistance with building boardups, hazard waste removal, short term make-safe repair activities and counseling. The Department works in cooperation with other public safety, human service, and law enforcement agencies to investigate and prosecute fraudulent contractors, environmental violators and others engaged in illegal activities that could have a negative impact on the quality of life. The Inspectional Services Department continues to develop and implement public information programs about the services and activities available through this agency.
Inspectional Services also administers the Animal Care and Control unit which enforces regulations pertaining to public safety of both residents and animals.

## Program 1. Commissioner's Office

## William Christopher, Commissioner, Organization 260100

## Program Description

The Commissioner's Office is responsible for overseeing daily departmental operations, including the development and implementation of an Automated Permitting and Inspection System (APIS). This system will provide for full online permitting and centralize the intake and scheduling of service requests and response to complaints. The permitting software solution will also be the framework for a permit management system involving all city agencies participating in the building permitting. This system will also enable ISD to share information among divisions by means of a centralized data management system.The Commissioner's Office coordinates all policy and planning functions, as well as focusing the Department's efforts to disseminate information in an understandable and timely manner. The Inspectional Services Department (ISD) is comprised of six regulatory divisions, namely, Building and Structures, Housing, Health, Environmental Services, Weights \& Measures and Animal Care and Control, with the aim to protect and improve the quality of life for all City of Boston residents by effectively administering and enforcing regulations mandated by City and State governments.

## Program 2. Administration \& Finance

## William Christopher, Manager, Organization 260200

## Program Description

The Administration and Finance program provides direction and supervision for Human Resources, Budget Management, Information Technology, and Legal Services. Human Resources directs the administration of all employee services, payroll, and labor relations. Budget provides fiscal oversight for the responsible management of the departmental non-personnel operating budget, in addition to asset/fleet management. Information Technology is responsible for maintaining the department's local area network, web page materials and Microsoft exchange server. Legal works with departmental field inspection divisions in enforcing State Building, Housing and Sanitary Codes, in addition to addressing distressed properties and processing property liens. Constituent Services holds Zoning Board of Appeal hearings and responds to non-emergency complaints from the public.

## Program 3. Buildings \& Structures

## Gary P. Moccia, Manager, Organization 260300

## Program Description

The Inspector of Buildings oversees all building permit application processing, plans and zoning reviews, field inspections, and the investigative and regulatory enforcement activities administered by the Department. The Buildings and Structures management staff is responsible for issuing building permits for repair and installation, certificates of occupancy, building licenses, and inspecting buildings for safety and compliance with the allowable uses and applicable laws and codes. The Plans and Zoning staff responds to all permit applications and reviews building plans for zoning compliance. Zoning Materials and Zoning Clinics are available at 1010 Massachusetts Avenue and neighborhood libraries to assist individuals and businesses. Building, Electrical and Mechanical inspectors inspect all construction or renovation work to ensure that proper safety standards are followed. Inspectors respond to all community complaints about non-permitted work and zoning violations, including the use of land and structures beyond the allowable use and occupancy.

## Program 4. Field Services

## William Christopher, Manager, Organization 260400

## Program Description

The Field Services program consists of four divisions: Health, Housing, Environmental Services and Weights \& Measures. The Health Division's role is to protect the public health by permitting and inspecting food establishments, restaurants, caterers, health clubs, massage practitioners, and recreational camps. The Housing Division's role is to ensure the availability of clean, safe living conditions as required by the State Sanitary Code. The Environmental Services Division is responsible for the abatement and prevention of rodent infestation, the implementation of the City's site cleanliness ordinance, the boarding and securing of abandoned properties, and the coordination of the vacant lot maintenance program. The Weights and Measures Division is charged with protecting consumers by ensuring accuracy in retail establishment pricing and proper readings on gas pumps, taxi meters, scales and fuel truck meters. Animal Care and Control issues dog licenses, protects the public from dangerous animals and holds clinics on rabies awareness.

## External Funds Projects

## Animal Control Fund

## Project Mission

The Animal Control Fund authorized by (Chapter 44, Section 53E $1 / 2$ ) generates monies derived from dog licenses and animal violations. The revolving fund is used to defer and supplement the costs of the animal control program such as veterinary care, animal food, spay and neuter services, and public service television programming.

## Foreclosure Fund

## Project Mission

The Foreclosure Fund was created in 2008 in compliance with the M.G.L. c.59, s57D, M.G.L. c,,156D, s5.02 and the 950CMR 113,20 requirement to register vacant or foreclosed properties. The fund allows Inspectional Services to charge an annual $\$ 100$ fee for the registration of each foreclosed property. Monies collected are to be used to offset costs to track and secure foreclosed properties.

## Weights and Measures Enforcement Fund

## Project Mission

The fund was created in 1998 in order to be in compliance with MGL c. 98 s. 29A, which was amended in 1998 to allow local weights and measures departments to issue civil citations (fines). The amended law specifically required that the revenue collected from said fines be retained and expended only for the purposes of enforcing "item pricing" and weights and measures laws.

## Program 4. Parks Design \& Construction

## Robert Rottenbucher, P.E., Manager, Organization 300400

## Program Description

The Design \& Construction Program works to develop and revitalize the full potential of Boston's physical park system by designing, contracting, and monitoring capital improvement projects. The planning process analyzes active and passive park opportunities, restores park lands, and promotes open space that is safe and accessible as well as functional and aesthetically pleasing. Improvements must be sensitive to community needs, budget limitations, appropriate environmental and horticultural values, and maintenance requirements.

## External Funds Projects

## Fund for Parks and Recreation

## Project Mission

The Fund for Parks and Recreation in Boston was established in 1983 for the purpose of furthering the maintenance and preservation of parks now or in the future belonging to the City of Boston and to provide recreational programs to the residents of Boston.

## George W. Parkman Trust Fund

## Project Mission

The Parkman Fund annually provides additional funding to maintain and improve parks, such as the Boston Common, Public Garden, Franklin Park, the Fens, etc. This includes tree work, repairs to roads, turf, and funding for maintenance employees working in designated parks.

## Park Floodlighting Fees

## Project Mission

Floodlighting fees are charged to non-resident groups and resident non-youth group organizations (typically sports leagues) conducting permitted night-time activities which require the use of the floodlights located at City parks.

## Ryder Cup/Youth Endowment Fund

## Project Mission

The Ryder Cup/Youth Endowment Fund was formed from the proceeds of tickets to the 1999 Ryder Cup matches. The tickets were donated by the Country Club of Brookline to the City of Boston. The income from the Fund is used to support youth golf programming and other youth recreation activities.

## Parks \& Recreation Department Capital Budget

## Overview

Boston's parks and open spaces provide environmental, recreational, social and economic benefits to the City's residents and visitors. As part of Boston's implementation of Imagine Boston 2030, the City will make a robust new investment in urban signature parks projects reflecting the Walsh Administration's priority focus in this area. Many of these investments tackle environmental justice issues and have the ability to stabilize neighborhoods. Ongoing capital investment in parks, playgrounds, and other recreational areas utilized by the City's visitors, youth and families, help to protect and enrich a park system that is among the nation's best.

## FY18 Major Initiatives

- Phase II of the Franklin Park Pathways Improvement project will improve park access and expand recreation for park users.
- Rehabilitate pathways at Jamaica Pond to improve accessibility, site conditions, and drainage.
- Complete construction on the Martin Richard Park in South Boston.
- Complete construction of Ramsey Playground in the South End.
- Begin construction of the 45 acre Harambee Park with field renovations, pedestrian pathways and environmental improvements.
- Begin construction to improve sidewalks near Boston Common Parkman Plaza.
- Begin construction of the Paul Revere Mall.
- Begin construction of major park renovation projects at Smith Playground in Allston.
- Begin design for projects at Ryan Playground in Charlestown, Mary Hannon Playground in Roxbury, and Reservation Road Park in Hyde Park.
