## Community Meeting #2 – What we heard from you

---

- The football field is used heavily by the Boston Raiders Youth Football and Cheer and has become an important space for the community
- The field is in need of basic amenities including, but not limited to,
  - New lights
  - New bleacher seating
  - A concession/picnic area
  - Cheerleading space
  - Keep the field fenced in
  - Include the boulder
- Provide areas and activities for multi-generational use
- Provide restroom accommodations (porta potty enclosure)
- Park resilience and consideration of flooding/damage to new fields
