

COMMUNITY WORKSHOP

TO DISCUSS UPCOMING
PARK UPGRADES

Please join us for a community workshop to discuss upcoming park renovations including, playground, water play, courts and natural areas. We are interested in hearing about desired improvements at Malcolm X Park to better serve neighborhood families. We look forward to sharing the project scope and timeline and listening to your valuable insights into the park.

During this workshop, city staff will provide refreshments as well as activities to gather children and family input on playground ideas.
