

COVID-19 Safety Plan - Compliance Affidavit

The undersigned Permittee (“Contractor”) certifies the following under the pains and penalties of perjury:

The Contractor hereby acknowledges the City’s concerns regarding safety at the Project worksite due to the COVID-19 pandemic. The Contractor agrees that it shall conduct its operations in strict compliance with all applicable regulations, guidelines, and requirements imposed by the Center for Disease Control (“CDC”), Occupational Safety and Health Administration (“OSHA”), and that it will comply with the Commonwealth of Massachusetts COVID-19 Guidelines and Procedures for All Construction Sites and Workers at All Public Work, as well as Industry Best Practices involving COVID-19 construction safety.

The Contractor understands that the City’s Covid-19 Construction Site Best Practices Worksheet, provided hereto as **Exhibit A**, is a sampling of the CDC, OSHA and industry best practices to help address potential project hazards due to COVID-19. The Contractor agrees to develop a written project-specific COVID-19 Safety Plan. The Contractor agrees that the City is providing **Exhibit A** merely as a baseline for the Contractor to craft the Contractor’s project-specific COVID-19 Safety Plan. The Contractor agrees to also consult with guidance provided by the CDC, OSHA, Commonwealth of Massachusetts, and Industry Best Practices when crafting each of their COVID-19 Safety Plans.

The Contractor certifies that it has created and implemented a COVID-19 Safety Plan for the site subject to this permit that complies with, and will satisfy, all applicable regulations, guidelines, and requirements imposed by the CDC, OSHA, and the Commonwealth of Massachusetts COVID-19 Guidelines and Procedures for All Construction Sites and Workers at All Public Work. Specifically, the Contractor certifies that the COVID-19 Safety Plan for this site achieves each of the Best Practices listed in **Exhibit A**, or that the plan specifies why a listed Best Practice is not applicable to the job site. The Contractor also certifies that each Subcontractor, Sub-subcontractor, and other parties that will perform work on the Project worksite will also comply and will satisfy these requirements.

The Contractor agrees that the COVID-19 Safety Plan shall be in place and submitted to ISD or Public Works before any work may begin. The Contractor agrees to provide their COVID-19 Safety Plan to any City Inspector, and all workers, on-site. The Contractor understands that the City’s acceptance of the Contractor’s COVID-19 Safety Plan is not an explicit or implied approval of the measures taken to combat the COVID-19 pandemic by the Contractor.

The Contractor acknowledges and agrees that non-compliance with any of the requirements above, including failure to abide by its own COVID-19 Safety Plan, may result in suspension or termination of work in progress or revocation of the City’s permit for such work.
