- Complete and pass a CORI/SORI background check.

### THE JOHN HANCOCK MLK SUMMER SCHOLARS PROGRAM

The Snap Shot Photography Program is made possible via a partnership between Boston Centers for Youth & Families and the John Hancock’s MLK Summer Scholars Program, which allows non-profit agencies to employ teens throughout the summer. The MLK Summer Scholars Program enables students to have on-the-job training in community organizations in addition to participating in weekly life skills training workshops managed and developed by the Boston Globe Foundation and Boston Cares. *MLK Summer Scholars* gain employment training as well as educational skills to assist in becoming community leaders of the future.

At the conclusion of the *MLK Summer Scholars* summer program participants photos will be exhibited, details to be determined.

**IF THIS SOUNDS LIKE A GOOD FIT FOR YOU, PLEASE COMPLETE THE APPLICATION AVAILABLE AT
