

The City of Boston plans to reconstruct Cummins Highway between River Street to Harvard Street in the future. Right now we are testing a new traffic setup using temporary traffic barriers that reduces the amount of travel lanes to one in each direction and calms traffic.

We need to hear from you! Your experiences during this trial will inform our process.

A. ABOUT YOU

1. Please share your home zip code: _____ *
2. Please share your email address: _____
3. How would you describe the way you use Cummins Highway? (Check all that apply)
 - a. I live on Cummins Highway.
