Mayor Walsh announced the City of Boston is launching “Get The Test Boston,” a pledge designed to encourage residents to get a COVID-19 test. As part of this pledge, local businesses including the Boston Red Sox, Boston Main Streets, Rapid7, UNITE HERE Local 26, and Wayfair have committed to signing onto the pledge, and ensuring their employees know how and when to get tested for COVID-19. To better increase access to testing for City of Boston employees, Mayor Walsh today also announced the City of Boston will be offering benefit-eligible City employees one paid hour every 14 days to get tested during their normal work hours. Employees will receive regular compensation for their time spent testing, and will not be required to utilize their sick or personal time for one hour of testing.

“Boston’s COVID-19 numbers are increasing, and our public health data is clear: we need more residents to get tested,” said Mayor Walsh. “We are entering a critical time in this pandemic, and everyone who does their part will save lives, and make a difference. I’d like to thank the companies who have already signed onto the testing pledge, and I encourage every resident in our city to look at the resources we have available, and seriously consider getting tested to protect themselves and their communities as we work to stop the further spread of COVID-19.”

TECHNICAL ASSESSMENT, DESIGN, AND ENGAGEMENT SUPPORT FOR:
HEAT RESILIENCE STRATEGIES FOR THE CITY OF BOSTON

EV00008498

The City of Boston, acting through the Environment Department, is seeking a qualified consultant or team of consultants to provide technical, policy, land use and infrastructure, and stakeholder engagement support in the development of a citywide heat resilience plan.

The Heat Resilience Plan ("the Plan") will be an essential next step in preparing for projected increases in extreme heat. The plan will build on existing heat preparedness work, concurrent and recent regional planning efforts, and will be coordinated with Boston's overall planning and development initiatives including Imagine Boston 2030. The Plan will identify a clear set of strategies from specific infrastructure and land use solutions and measures to strengthen policies and programs needed to reduce urban heat and heat risk.

The purpose of this plan is to prepare the City of Boston for extreme heat in the coming decades and will focus initially on environmental justice communities who are most at risk in the context of increasing temperatures in Boston. Grounding this planning process in racial equity and social justice by investing in an equitable community-driven process and recognizing the history of racism in Boston is critical to the development and success of the Plan. Alongside the City, consultants are expected to apply a racial justice and social equity lens throughout the process. The selected consultant will support a transparent and co-creative planning process that recognizes and supports priority populations that have been historically underinvested in and disproportionately vulnerable to the impacts of climate change.
The City of Boston (the City), acting by its Commissioner of the Environment Department (the Official), invites sealed bids for the performance of the work generally described above and particularly outlined in the RFP which may be obtained at Boston City Hall, One City Hall Plaza, Room 709, Boston, MA 02201 or via the City of Boston Vendor Portal (boston.gov/procurement; search for Event EV00008498), commencing at 9:00 a.m. Eastern Time (ET) on November 2, 2020. The RFP shall remain available until the time of the bid opening. Every response shall be submitted in accordance with the instructions provided in the RFP. All Responses must be delivered no later than 4:00 p.m. (ET) on December 4, 2020, at Boston City Hall, Environment Department, One City Hall Plaza, Room 709, Boston, MA 02201, or via the City of Boston Vendor Portal. Responses delivered by the 4:00 p.m. (ET) December 4, 2020 deadline for submission will be publicly opened by the Official or his designee immediately thereafter at Boston City Hall, Room 709.

The attention of all bidders is directed to the provisions of the RFP and contract documents, specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable. A performance bond equal in amount to the amount of the contract shall be required from the successful vendor. The award of any contract shall be subject to the approval of the Mayor of the City of Boston. The maximum time for bid acceptance by the City after the opening of bids shall be ninety (90) days.

The City and the Official reserve the right to reject any or all bids, or any item or times thereof.

The City of Boston affirmatively ensures that Disadvantaged Business Enterprises (DBE), Small Local Business Enterprise (SLBE), Minority Business Enterprise (MBE), Women Business Enterprise (WBE), and Veteran-Owned Small Business Enterprise (VOSBE) firms shall be afforded full opportunity to submit qualifications in response to this and will not be discriminated against on the basis of race, color, national origin, ancestry, disability, gender, transgender status, political affiliation, age, sexual orientation, or religion in any consideration leading to the award of contract. No qualified disabled person shall, on the basis of disability, be excluded from participating in, be denied the benefits of, or otherwise subjected to discrimination in any consideration leading to the award of contract.

peter.s.sun@boston.gov

The Economic Development and Industrial Corporation of Boston (“EDIC”) d/b/a Boston Planning & Development Agency (“BPDA”), by its Chief Procurement Officer (“CPO”), requests the qualifications of an experienced, qualified, and professional architect/engineer design team to provide design services, including construction administration, in conformance with M.G.L. c. 7C, §§ 44 – 58, as may be amended, for the 12 Channel Street Stairwell Code Compliance and Stair Pressurization System Project. The BPDA is seeking design services for its property located at 12 Channel Street in the Raymond L. Flynn Marine Park from a professional with prior experience in building code compliance and stair pressurization systems. There is no study or program associated with this project which has been previously completed. The anticipated duration of the design services is sixty (60) weeks from the date of the resulting design contract execution. The design fee shall be negotiated between the top ranked finalist and the BPDA in order to establish a mutually agreed upon design fee. The BPDA will request that the top ranked finalist submit a fee proposal and include with it current cost and pricing data.

RFQ Availability: The RFQ package will be available to download on the BPDA Procurement Portal free-of-charge in digital print form to all interested Designers on October 28, 2020 at 9:00 A.M at www.bostonplans.org/work-with-us/procurement. Plan holders shall open and register the information requested for “12 Channel Street Stairwell Code Compliance and Stair Pressurization System Project,” and then follow the prompt to start file download under the “Work with Us” tab. If unable to access the RFQ package through the BPDA Procurement Portal, contact the BPDA Procurement Office at 617-918-5273, or via email to BPDA.CPO@bostongov in order to make alternative arrangements.

Pre-Submission Briefing Session: All interested designers are invited to attend a virtual pre-submission briefing session on November 5, 2020 at 11:00 A.M. Interested designers should register for the pre-submission briefing session at the following link: https://www.zoomgov.com/meeting/register/vJItde2qzwvGu8e39eplXxRJFqs_eD2oI

After registering, interested designers will receive a confirmation email containing information about joining the briefing session. Attendance at the pre-submission conference is optional. Please email the BPDA Procurement office at BPDA.CPO@bostongov and include Peter Sun at peter.s.sun@boston.gov for more information. Further notice regarding the agenda for the virtual pre-submission conference will be emailed to all plan holders before the pre-submission briefing session.

Submission Deadline: All proposals to this RFQ must be returned no later than 12:00 P.M. (noon) on November 24, 2020, to: Teresa Polhemus, Clerk, Boston Planning & Development Agency, One City Hall Square, Room 910, Boston, MA 02201-1007. Absolutely no responses will be accepted after the due date and time. Designers must deliver their proposals via courier or in person, following the operating hours and protocols for public access to
City Hall, which are available at: boston.gov/news/covid-19-status-city-boston-departments.

**Contract Award:** After evaluating and ranking the finalists in order of qualifications and documenting the rationale for rankings, a contract will be awarded to the top-ranked finalist. The BPDA reserves the right to interview the top three (3) ranked finalists. The BPDA reserves the right to reject any or all responses and to waive any minor informalities. The award of the resulting contract is subject to approval by the BPDA Board and is contingent on the availability of funds.
