**DECLARATION FOR THE CENTERS FOR DISEASE CONTROL
AND PREVENTION'S TEMPORARY
HALT IN EVICTIONS TO PREVENT FURTHER SPREAD OF COVID-19**

This declaration is for tenants, lessees, or residents of residential properties who are covered by the CDC's order temporarily halting residential evictions (not including foreclosures on home mortgages) to prevent the further spread of COVID-19. Under the CDC's order you must provide a copy of this declaration to your landlord, owner of the residential property where you live, or other person who has a right to have you evicted or removed from where you live. Each adult listed on the lease, rental agreement, or housing contract should complete this declaration. Unless the CDC order is extended, changed, or ended, the order prevents you from being evicted or removed from where you are living through March 31, 2021. You are still required to pay rent and follow all the other terms of your lease and rules of the place where you live. You may also still be evicted for reasons other than not paying rent or making a housing payment.

I certify under penalty of perjury that the foregoing are true and correct:

- If evicted I would likely become homeless, need to move into a homeless shelter, or need to move into a new residence shared by other people who live in close quarters because I have no other available housing options.
- I either expect to earn no more than \$99,000 in annual income for Calendar Year 2020 (or no more than \$198,000 if filing a joint tax return), was not required to report any income in 2019 to the U.S. Internal Revenue Service, or received an Economic Impact Payment (stimulus check) pursuant to Section 2201 of the CARES Act;
- I have used best efforts to obtain all available government assistance for rent or housing;
- I am unable to pay my full rent or make a full housing payment due to substantial loss of household income, loss of compensable hours of work or wages, lay-offs, or extraordinary out-of-pocket medical expenses; and
- I am using best efforts to make timely partial payments that are as close to the full payment as the individual's circumstances may permit, taking into account other non-discretionary expenses.
