Sept 13, 2021
The American Rescue Plan Act (ARPA) is an economic stimulus bill signed by President Joe Biden on March 11, 2021 to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the ongoing recession.

Our Philosophy: Transparency and inclusivity

Our timeline:

- **End September:** Gather feedback from CBOs, plan agenda and outreach strategy for the community meetings in October.
