

CITY of BOSTON

BOSTON PUBLIC WORKS DEPARTMENT

APPROVED CONCRETE VENDOR LIST AS OF NOVEMBER 22, 2021

Listed below are vendors that have been approved to sell concrete within the City of Boston. The concrete will be used for sidewalk and edgestone repairs, utility casting resetting, and open voids. The list of vendors may change if a particular vendor fails future testing.

The City will allow additional vendors not on this list to sell or provide their concrete as long as it passes the City's Quality Control Testing. Please email cmdoffice@boston.gov to schedule and inspection.
