617-383-9536

273 Beacon Existing Aerial View

- Unit #1's private patio prevents direct access to power for spot #3

273 Existing Condition

- Private patio for unit #1 behind wall
- Left edge of patio wall flush with property line

Wood Cabinet Enclosure

- 16x36 cabinet
- Charger & cable locked & hidden

Cabinet
access to
charger cable

Cabinet is closed and locked when charging

Conduit Trench

- Power supply in basement
- Wall footing, drainage, and proximity to neighbor's property prevents trenching all the way to charger
