- Be available to work from Tuesday, July 5 – Friday, August 12, 2022;
- Commit to a Hybrid weekly schedule of Monday-Friday both virtually & at the BCYF Paris Street Community Center, 113 Paris Street, East Boston 02128;*
- Attend bi-weekly professional and life skills virtual workshops
- Complete and pass a CORI/SORI background check.

THE JOHN HANCOCK SUMMER SCHOLARS PROGRAM:

The Snap Shot Photography Program is made possible via a partnership between Boston Centers for Youth & Families and John Hancock’s MLK Summer Scholars Program, which allows non-profit agencies to employ teens throughout the summer. MLK Summer Scholars enables students to have on-the-job training in community organizations in addition to participating in weekly life skills training workshops managed and developed by the BostonGlobe Foundation and BostonCares. MLK Summer Scholars gain employment training as well as educational skills to assist in becoming community leaders of the future.

To celebrate the conclusion of the MLK Summer Scholars summer program, a recognition ceremony and photo exhibit event will be held to honor the students at the end of the program. Students will be joined by friends and family and will have the opportunity to network with City officials and community leaders.
