She also briefly explained how to participate in the online hearing.

I. VIOLATIONS

VIO # 21.068 BH 29 PINCKNEY STREET 5:02PM
Applicant: Alex Ehrlich
Proposed Work: Ratification of unapproved window replacement.

Project Representative: Chris Rapcynski, Sleeping Dog
Documents Presented: The Commissioners reviewed a presentation consisting of the existing conditions.

Discussion Topics: Commissioners discussed the visibility of the top floor the importance of matching new windows to the historic ones on the level above.

Public Comment: Charlotte Thibodeau of the Beacon Hill Civic Association (BHCA) stated that she would prefer the windows to be repaired rather than replaced.
COMMISSIONER M. MCNAMARA MOTIONED TO RATIFY THE VIOLATION WITH PROVISOS. A. ALLEN SECONDED THE MOTION. THE VOTE WAS 5-0 (Y: AA, AG, AR, MM, and WW).

- The applicant must replace first floor windows with appropriate windows and match second floor windows with repairs in kind.
- The applicant must replicate the trim present in 2010.
- The applicant must provide shop drawings prior to construction.
- Details remanded to Staff.

VIO # 20.051 BH 24 PHILLIPS STREET 5:35PM
Applicant: Tom Tryykowski; The Copley Group
Proposed Work: Ratification of unapproved Intercom system

Project Representative: David Silverman
Documents Presented: The Commissioners reviewed a presentation consisting of photos of the existing conditions and photos of the surrounding area.

Discussion Topics: Commissioners discussed their desire to avoid setting a precedent for this type of intercom system. They requested different intercom options that would comply with the standards or that the existing intercom system be mounted flush against the wall.

Public Comment: Charlotte Thibodeau of the Beacon Hill Civic Association (BHCA) prefers a traditional intercom, perhaps flush mounted. She also dislikes the lighting.

COMMISSIONER M. MCNAMARA MOTIONED TO DENY THE VIOLATION CITING:
- The applicant must remove the existing buzzer system and replace it with a new buzzer system that is approved.
- The applicant must repair any damage to the façade.

- The applicant must complete all work within 90 days.
