RE: FY2021 PILOT Program

Wentworth Institute of Technology is pleased to submit our FY2021 Community Benefits report. Due to the current financial uncertainties and stresses brought on by the pandemic, Wentworth will not be making a PILOT contribution for this fiscal year. We remain strongly committed to our Boston community and continue to provide significant community benefits that directly serve its residents.

Despite the challenges of the past year, our community benefits remained strong. Our community benefits have consistently exceeded the 50% community benefit cap for programs and activities that directly benefit City of Boston residents. Working closely with the community, Wentworth found creative ways to give back and support our neighbors and ongoing programs during the health crisis.

Project STRIVE, for example, continued to provide workforce training for Boston Public School Students. Participants learned new vocational skills as we transformed our campus to comply with COVID-19 regulations. STRIVE is a program that serves over 150 non-diploma bound BPS students with a variety of special needs, providing them with training that leads to future employment opportunities.

While many of our direct community contributions are centered around events, we found additional ways to support the local community, such as:

- Providing over $5,000 in grocery gift cards and masks to our neighbors at Mission Hill Neighborhood Health Services, the Tobin Community Center, Mission Main Housing Development, Alice Taylor Housing Development, Mission Hill Health Movement, the Charlesbank Cooperative, the Fenway CDC, and ABCD Parker Hill/Fenway;

- Following a COVID-19 outbreak in a neighboring building at 69 McGreevey Way, Wentworth mobilized its facilities department to distribute basic necessities and masks for the residents;

- Providing school supplies to neighborhood school-aged children including BPS Learning Kits, arm-desks, back-packs, and headphones which made remote learning possible;
• Additional funding to support Mission Hill Main Streets restaurants and local businesses;

• Continued maintenance of Evans Way Park throughout the health crisis; and

• Loans of laptops to isolated Mission Hill seniors and aid with their programming.

As always, we wish to remind you that Wentworth is a small private institution with a modest endowment. We are dependent on tuition dollars to fund our operations and we are committed to affordable tuition pricing. Most of our students come from middle class and working families, making them very sensitive to tuition increases. Over 25% of our students are PELL eligible.

Wentworth remains committed to working closely with the City of Boston as we seek to make our community a better place to live and learn. If you have any questions, please feel free to contact me at 617-989-4325 or totinor@wit.edu.

Sincerely,

Robert L. Totino
Vice President for Finance/CFO
