# BOSTON PUBLIC HEALTH COMMISSION

STAY SAFE FROM COVID-19 WHEN GATHERING

Get boosted as soon as possible. Boosters work quickly to strengthen your immune system.

Go to boston.gov/covid19-vaccine to learn more

Wear a well-fitting mask, especially while attending public indoor or crowded outdoor events.

Open doors and windows when gathering inside. Try to **meet friends and family outdoors** as much as possible.

Keep a **test kit** at home and test before going to indoor gatherings.

Go to boston.gov/covid19-testing to learn more

Call your doctor IMMEDIATELY if you test positive or don't feel well.

Call (508)-213-1380 to speak with a Gothams representative and learn about your potential treatment options. **Gothams COVID-19 Self-Referral Treatment Line** is open **Monday–Saturday from 8 a.m. to 6 p.m.**
