Boston Cultural Council
Grant & Application Guidelines
Fall 2022

About the Boston Cultural Council

The Boston Cultural Council (BCC), under the umbrella of the Mayor’s Office of Arts and Culture, helps to ensure that grant making responds to the needs of the cultural community and that best practices for grant solicitation, review and disbursement are followed. The BCC annually distributes general operating funds allocated by the City of Boston and the Mass Cultural Council, a state agency, to support innovative arts, humanities, and interpretive science programming that enhances the quality of life in our city.

The council members are Boston residents appointed by the mayor for up to two consecutive three year terms. Council members are selected on the basis of their demonstrated commitment to Boston’s cultural community and their knowledge of various arts disciplines. The BCC reviews applications to evaluate the quality of proposed programming and potential benefit to diverse audiences in Boston.

Boston Cultural Council Equity Statement

To truly thrive, Boston must be an equitable city. For the Boston Cultural Council, equity means equal access to resources and equal value of all cultural traditions and expressions. Equity operates as an out-loud process of actively reflecting, including, and rewarding cultural, economic, and racial diversity in the arts.

The BCC actively encourages the creativity and engagement of all. We do this through our grantmaking guided by the Boston Creates cultural plan. Our grants emphasize fair opportunity, accessibility and understanding of Boston’s arts and cultural communities. Our programmatic, financial, and informational resources also pro-actively encourage equity and inclusion within the organizations we support.

BCC Grant Strategy

Ensuring BCC grants contribute towards the goals above requires intentional effort to fund organizations that promote cultural equity in the Boston arts ecosystem. It is for this reason that the

1 The BCC uses the term “organizations” broadly in this document to refer to all eligible applicants to the BCC, which include non-profit organizations and groups using a fiscal agent including unincorporated entities or artist collectives.
BCC made a shift in its grant making strategy in 2019. Rather than grant to organizations within any budget range, the BCC will be more intentional in supporting small to mid-sized arts organizations in the Boston arts ecosystem by focusing on organizations with annual budgets under $2 million. Click here to read more about the BCC’s funding strategy.

Beginning in 2021, the BCC is further supporting small organizations by committing the majority of grant funds to those with the smallest budgets.

Application Forms and Submission

Grant updates and final reports will be made through this account, so we recommend using an email address that is generic for your organization - something that multiple people have access to. While we prefer to have all proposals submitted online, we also accept hand-written hard copies. Hard copies can be picked up in 1 City Hall Square, eighth floor room 802.

Application Deadline

The BCC grant application opens on September 1, 2022. The application deadline is Monday, October 17, 2022 at 11:59pm. No late applications will be accepted, and MOAC staff may not be available after 5pm - please submit your application before the deadline to avoid technical issues!

Review Process

Once received, grant applications are initially reviewed for eligibility and completeness. If eligible and complete, they are then read and evaluated by MOAC staff as well as BCC council members, and scored against an evaluation rubric. Scores are then tallied, averaged, and applications are then discussed in meetings during the fall and winter. Awardees will be notified of BCC funding decisions in January and grants will be disbursed in Spring 2023.

Evaluation Criteria

Once basic eligibility is met, proposals will be evaluated based on a set criteria. Please see the rubric on page 5 to view the evaluation criteria.

Reconsideration

An applicant may request reconsideration of a decision on its application if the applicant can demonstrate that the BCC failed to follow published application and review procedures. Such
requests must be submitted in writing to the Boston Cultural Council within fifteen (15) days of grant notification. No reconsideration may be requested regarding the amount or a decision made about artistic quality or programming priorities.

**Grant Payment**

During the 2022-2023 grant cycle, all Boston Cultural Council grants will be made in full and up front. Due to COVID-19, grant reporting was waived in 2020-2021 and the BCC is evaluating whether there will be reporting requirements in 2022-2023.

**Conflict of Interest**

The Boston Cultural Council observes the Mass Cultural Council’s Conflict of Interest Policy regarding review panels. To ensure that all review panels are free from conflicts of interests, panelists are required to disclose any current or prospective affiliations they or their immediate family members have with an actual or potential applicant. “Affiliation” applies to employment, board memberships, independent contractual relationships, advisory or policy relationships, substantial contributor relationships, or other financial relationships. In addition, panelists are required to disclose any past or current adversarial relationships with actual or potential applicants. Panelists will not be permitted to participate in discussions or votes relating to applicants with whom they have an affiliation or relationship.
