

STOP & SMELL THE ROSES

AT BOSTON'S 26TH ANNUAL ROSE GARDEN PARTY.

On Thursday evening, June 15, you are cordially invited to stop and smell the roses at Boston's 26th Annual Rose Garden Party. Join Mayor Michelle Wu, Honorary Event Chair, along with Boston's business, arts, community, and philanthropic leaders, at the James P. Kelleher Rose Garden in the Back Bay Fens. You and your guests will take in the elegant beauty of this historic park where over 3,000 rose bushes will be in peak bloom while enjoying live entertainment, festive cocktails, dinner, and more.

Proceeds from this signature event go toward funding ParkARTS, which provides free family programming in neighborhood parks throughout Boston. From concerts and movies to arts & crafts workshops and festivals, these localized activities bring joy to tens of thousands of families each year and help bring our communities closer together.

We hope you will join us in celebrating and supporting this important cause!
