

Better bike lanes on **BOYLSTON STREET**

Everyone in Boston deserves safe streets. We're working on a plan to better serve people walking, rolling, and riding bikes. We will allow bicyclists to travel in both directions on Boylston Street from Amory Street to Centre Street. Boylston Street will be one-way for drivers. We will add speed humps, too.

Together with South Huntington Avenue, Boylston Street will be part of an easy, continuous two-way bicycle route between the Southwest Corridor Bike Path to the Emerald Necklace Path at Huntington Avenue. Because Boylston Street is quite narrow in some sections, we will need to make changes to where parking is allowed.

Better bike lanes en **BOYLSTON STREET**

Todos en Boston merecen calles seguras. La ciudad de Boston está trabajando en un plan para que sirvan mejor a peatones, ciclistas, y rodantes. Permitiremos que los ciclistas circulen en ambas direcciones por Boylston Street desde Amory Street hasta Centre Street. Boylston Street será de sentido único para los conductores. También añadiremos resaltos de velocidad.

Junto con South Huntington Avenue, Boylston Street formará parte de una ruta ciclista bidireccional fácil y continua entre el Southwest Corridor Bike Path e y el camino Emerald Necklace Path en Huntington Avenue. Dado que Boylston Street es bastante estrecha en algunos tramos, tendremos que modificar los lugares en los que está permitido estacionar.
