

GUIDELINES FOR THE ALLOWANCE OF DOGS IN OUTDOOR DINING AREAS

As Boston continues to become a more dog friendly city the Inspectional Services Department's Health Division is expanding its dog friendly policy to include restaurant establishments and beer gardens to ensure safe spaces where dog owners and their pets can enjoy Boston's numerous restaurants. All restaurants and beer gardens with outdoor space in Boston can now apply for a new **Dog Friendly Spaces** variance.

This guide will provide you with a list of rules and regulations the restaurant establishments, beer gardens and staff must follow and also the dog owners responsibilities.
