

**Project: 97 Williston Rd**

**Contractor: Boston Exterior Remodeling**

**Scope of work:**

- Remove the existing vinyl siding on home.
- Existing siding is 5" clapboard. We will replicate the existing 5" clapboard in primed, finger-jointed cedar clapboard.
- Install 5/4" 5" window trims with 1 3/4" band moulding historical sill, all made from real wood.
- New underlayments
- House has evidence of a water table at the foundation. This will be replicated.
- The house will be sanded, primed, and painted.
- Historical details of home will be preserved
- Will paint the home Benjamin Moore Historic Collection color.
- Black windows, 6 over 1 grids
