MEETING RECORDING

The Boston Parks and Recreation Department will be recording the meeting and posting to our project webpage for those who are unable to attend the Zoom meeting live.

It is possible that participants may also be recording the meeting with their phones cameras or other devices. If you do not wish to be recorded during this meeting, please keep your microphone and camera off.

VIRTUAL MEETING ETIQUETTE

We want to ensure this conversation feels accessible to everyone and each one of you feels comfortable sharing your questions and comments.

Please be respectful and mindful of other's time when asking questions/ providing comments, so that all attendees are able to participate in the meeting.

Keep questions/ comments project-specific and not personal to yield a solution driven discussion.

You can always set up a conversation with Amy Linné, amy.linne@boston.gov to further discuss the project or process.

ZOOM TIPS

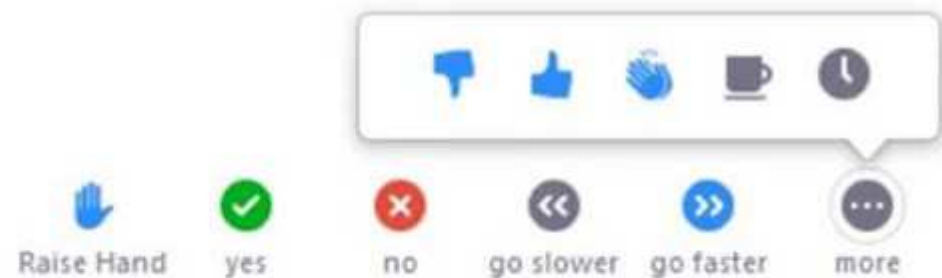

Here is how you can participate during the question and answer part of the presentation.

DURING THE PRESENTATION:

VIA WEB:

Turn video on / off.

To use these non-verbal options click on participants (bottom of screen); these options will pop up in side bar.

DURING THE Q&A:

JOINING VIA PHONE?

Use *9 to raise hand to ask for audio / video permission to ask questions or provide comments.

VIA WEB:

Chat to ask questions / comments or provide responses to poll questions

PROJECT OVERVIEW

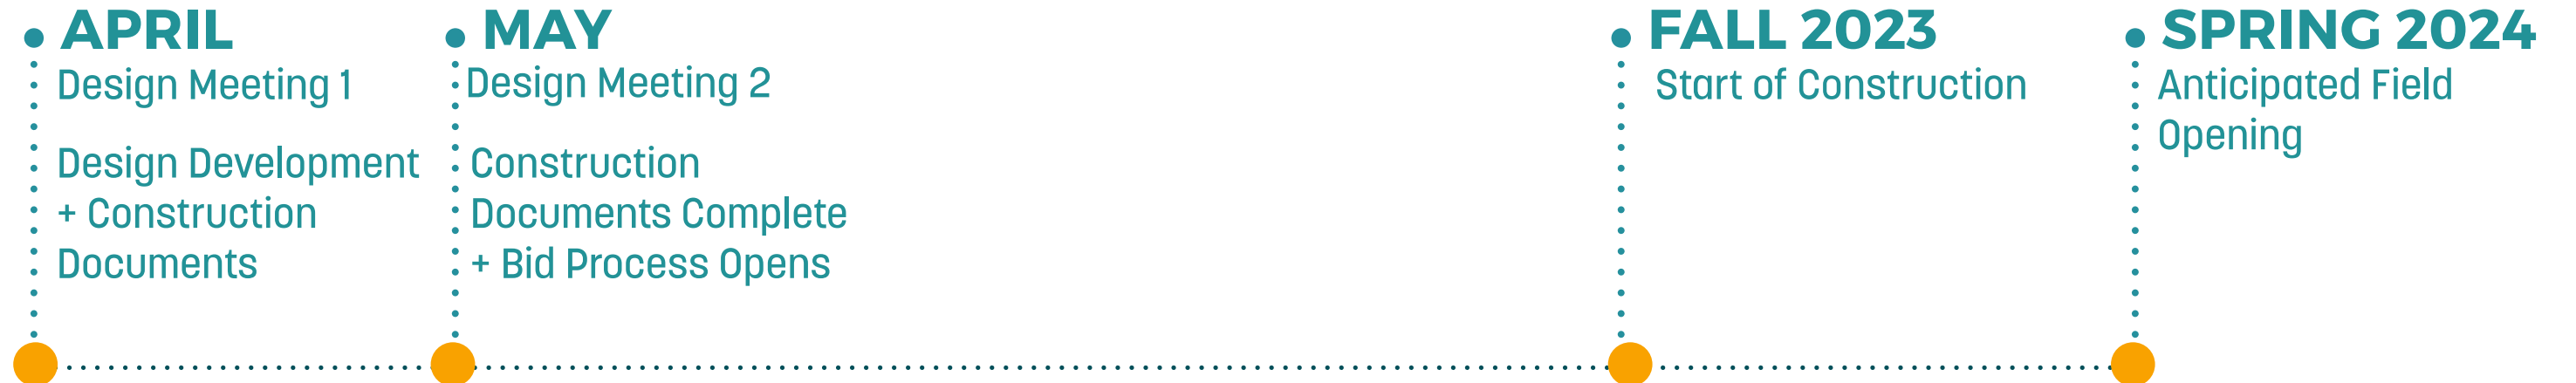

PROJECT SCHEDULE | DESIGN PROCESS

PARK RENOVATION

FIELD RENOVATION

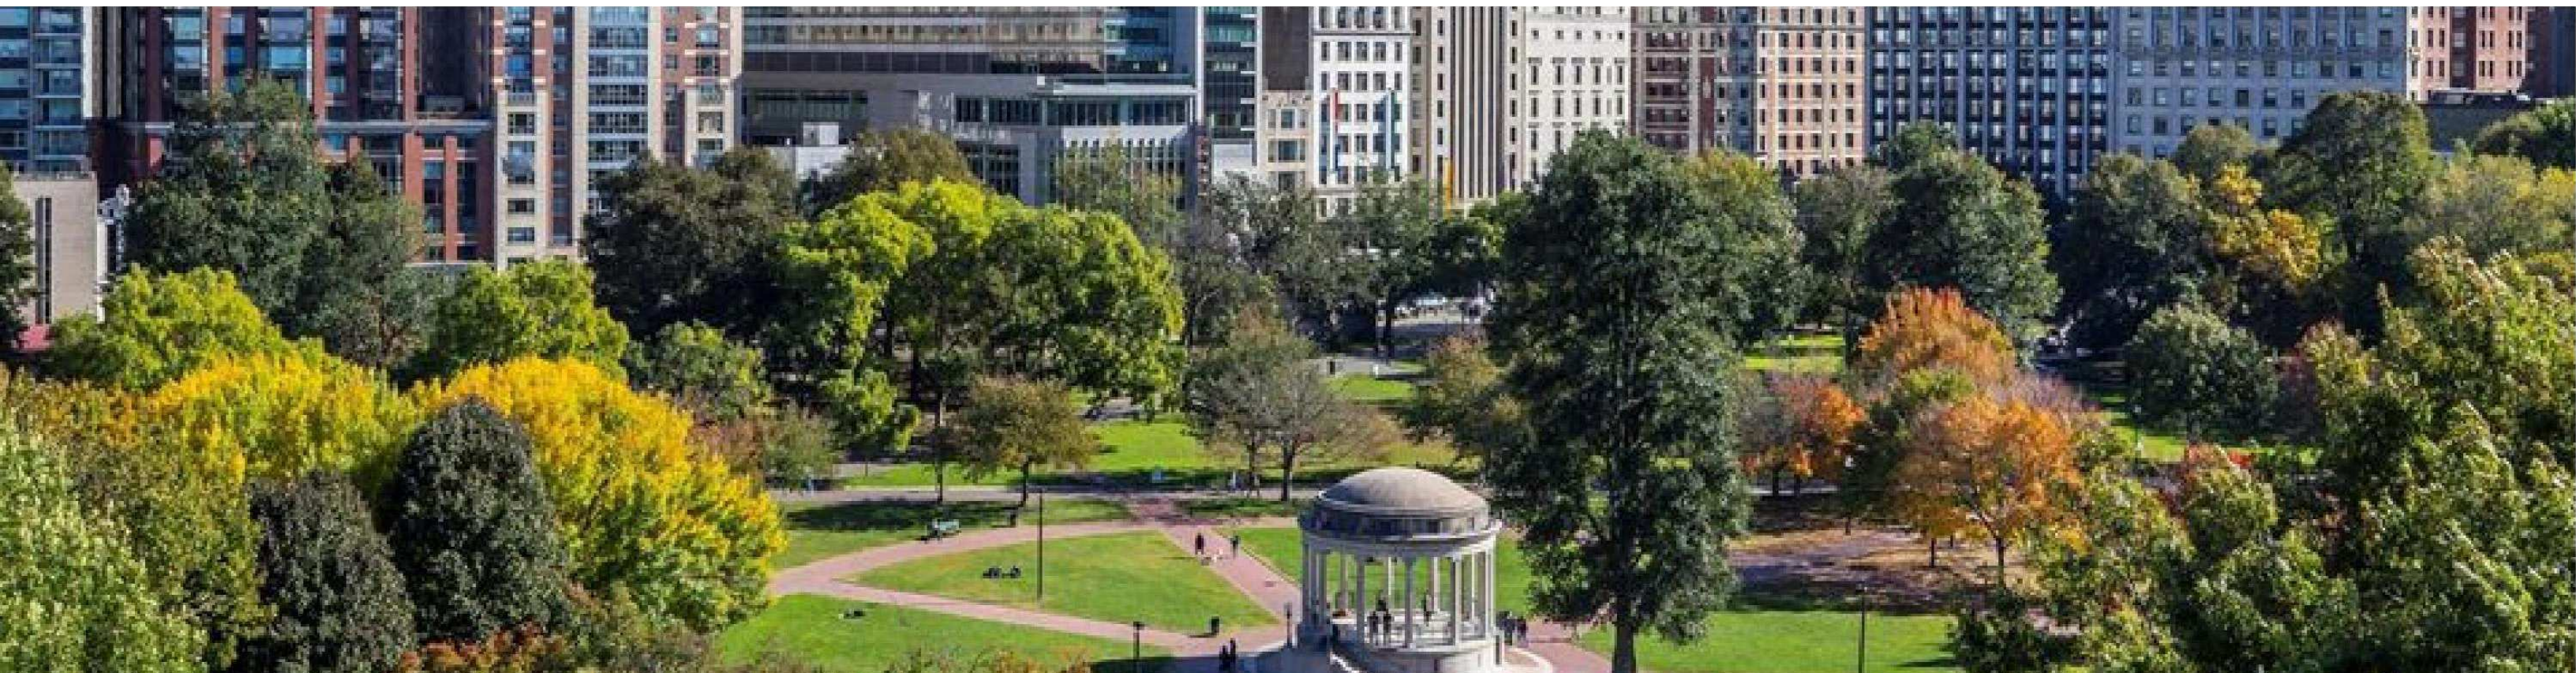

PROJECT APPROACH

CITY OF BOSTON PRIORITIES

- Expanding walkable access to parks
- Addressing equity
- Climate resilience
- Health
- Housing and community building

PARKS AND RECREATION GOALS

1. Accessible and available to all
2. Diverse, balanced, and efficient mix of uses
3. Meaningful and inclusive community engagement
4. Adaptive and resilient landscapes
5. Promote connections

3

PRESENTATION

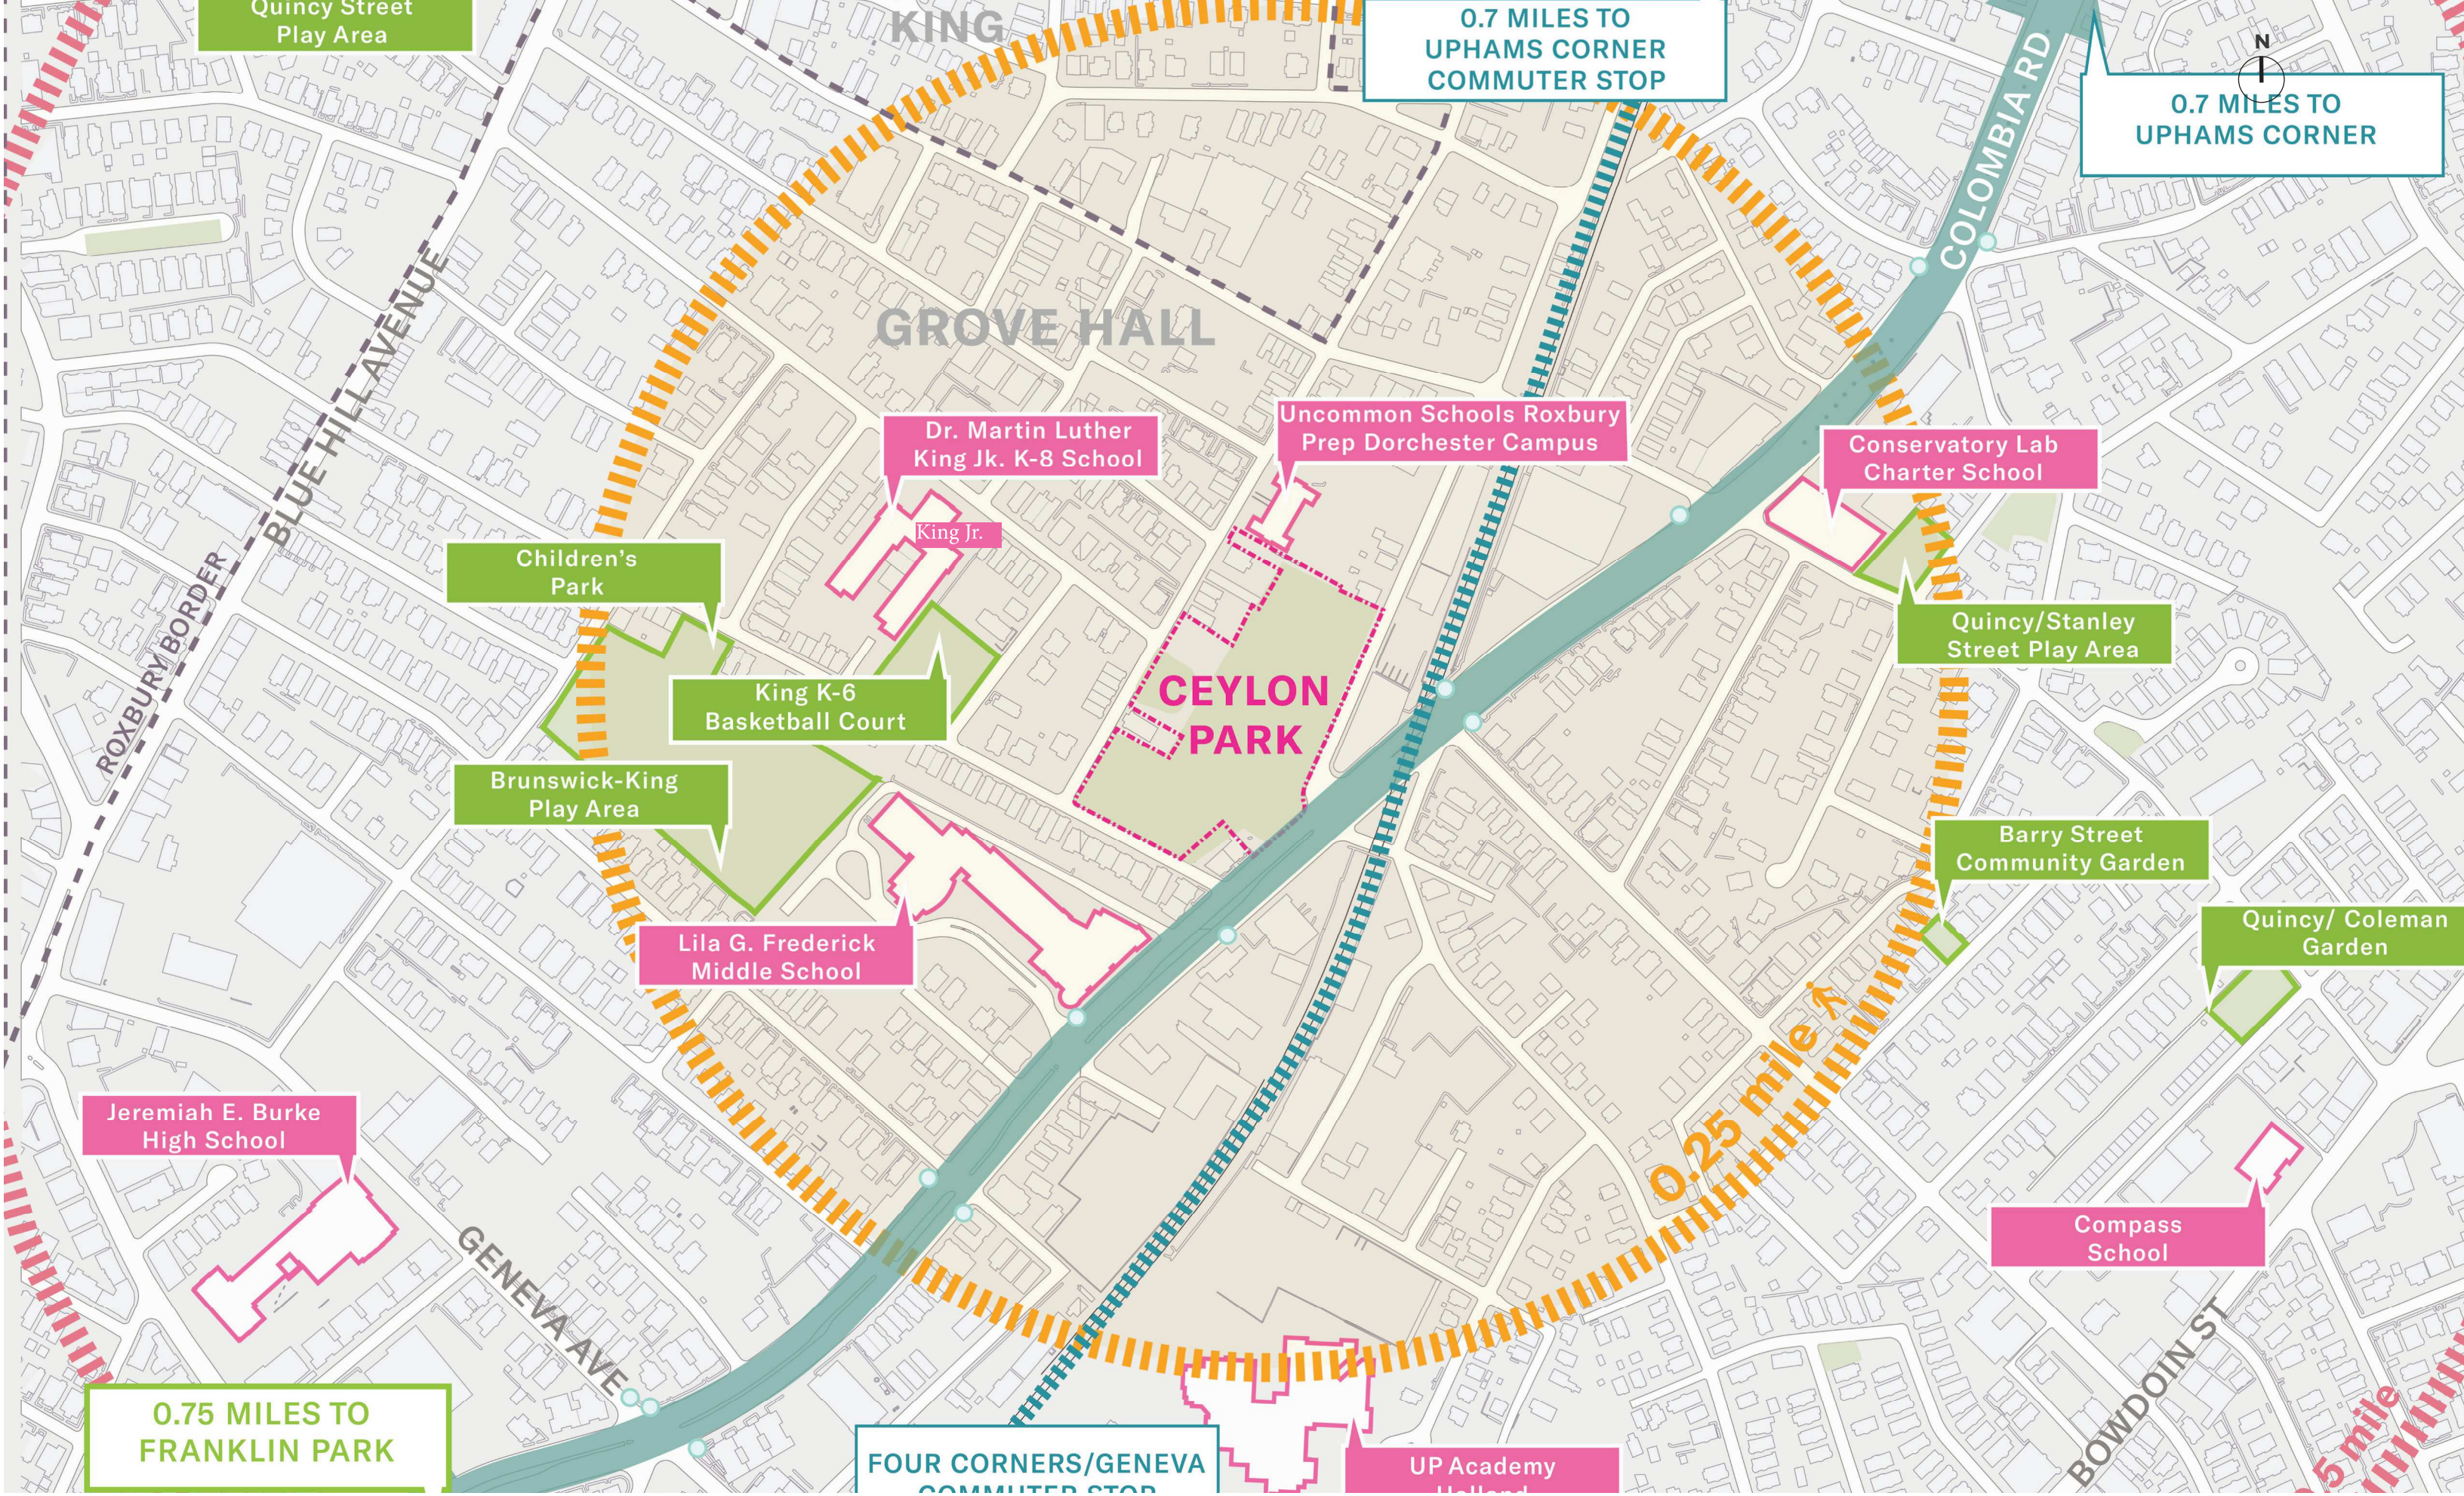

Existing Conditions

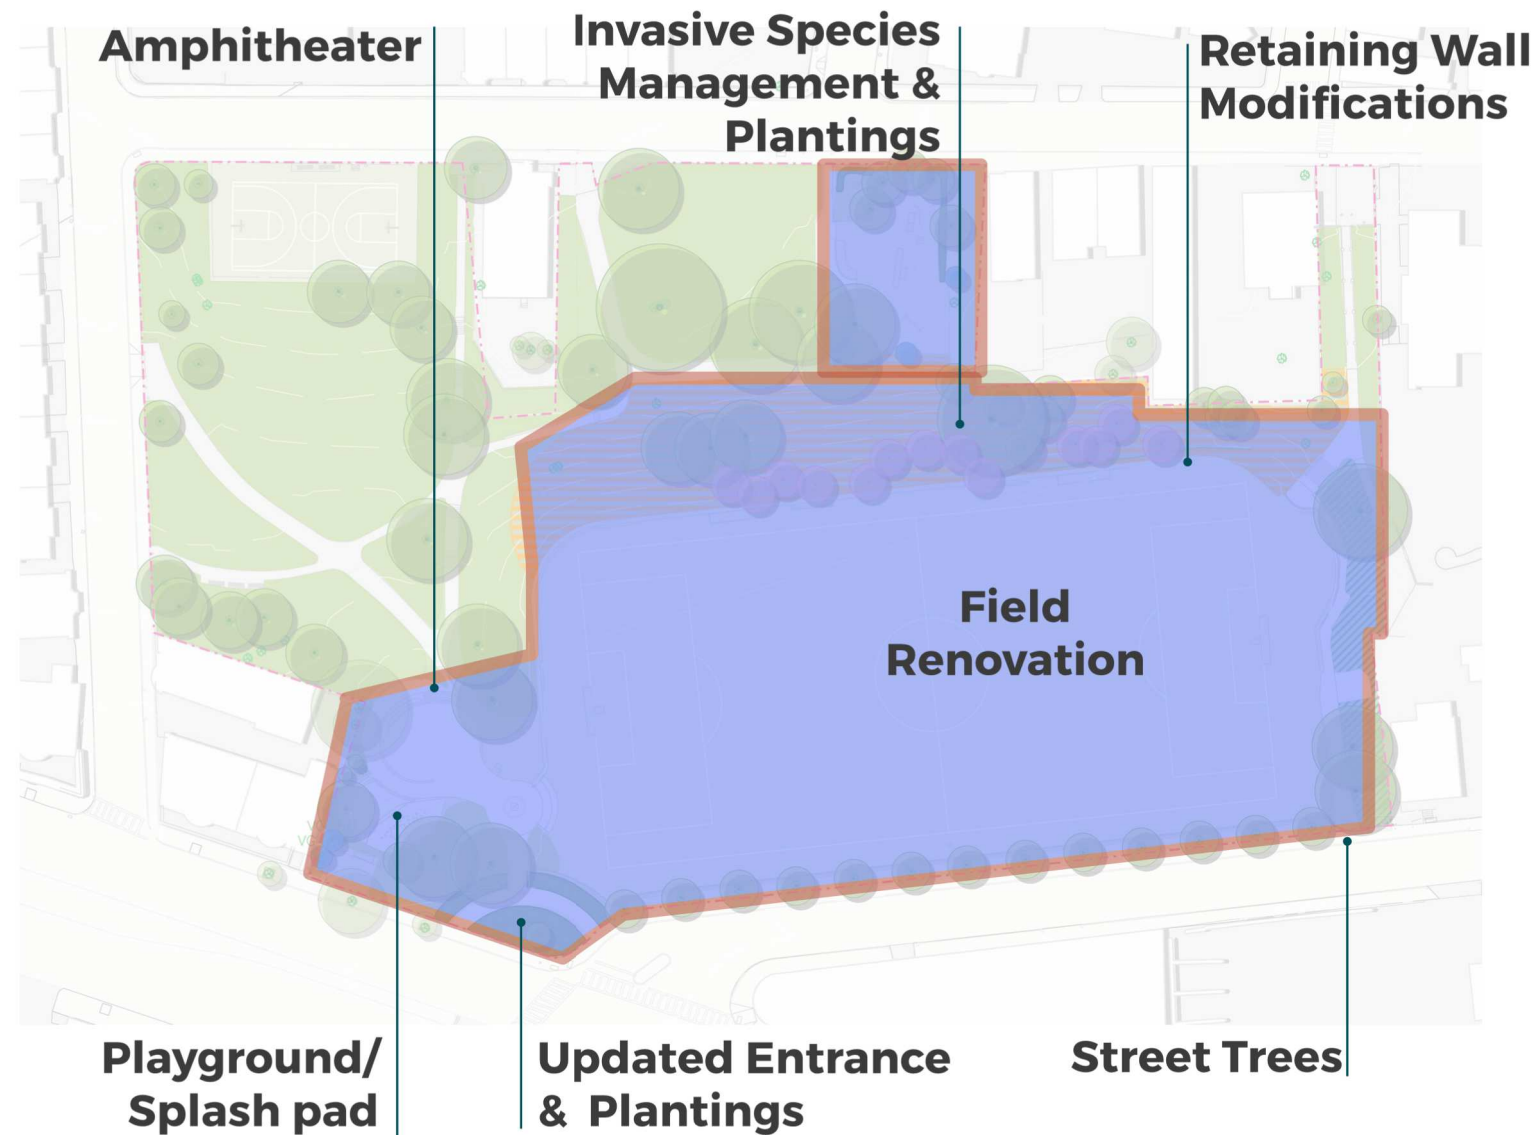

Summary

2008 Renovations

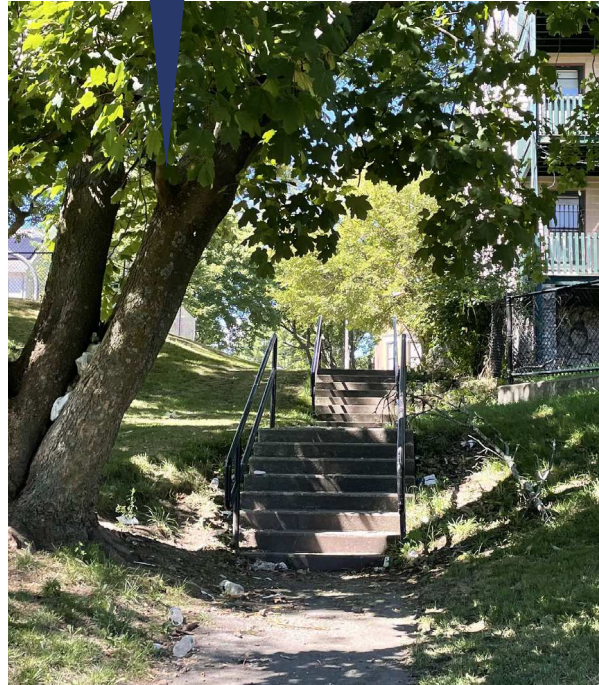

In 2008, the park underwent significant renovations, including: the sports field, upper play area, lower play area, and community event space

GOALS FOR CEYLON PARK RENOVATION

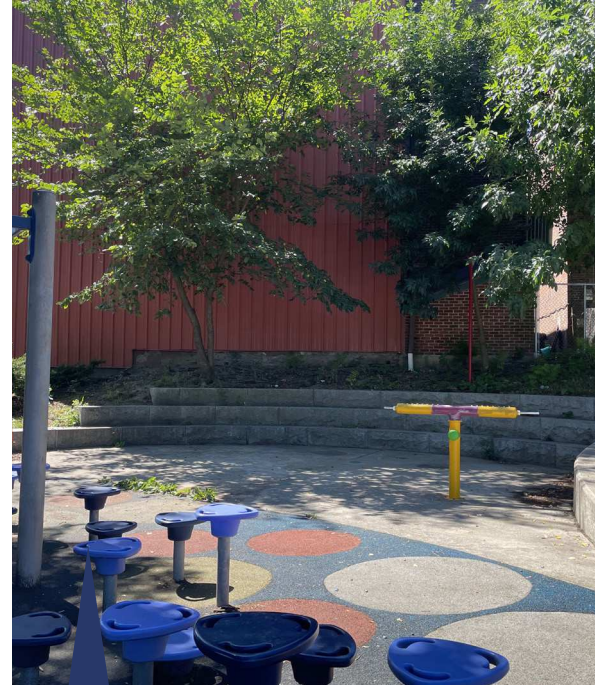

Update a much-loved community Park to 21st Century standards

Promote a safe environment

Increase Accessibility and availability for all users

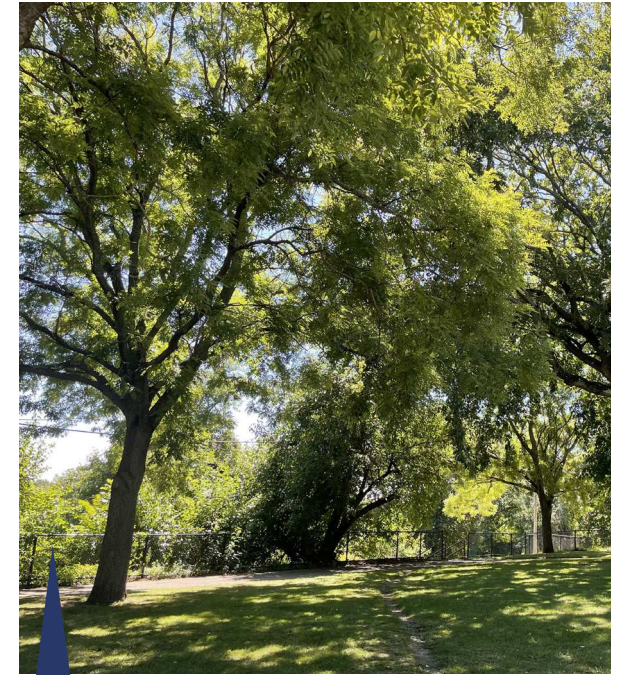

Create a diverse, balanced, and efficient mix of uses

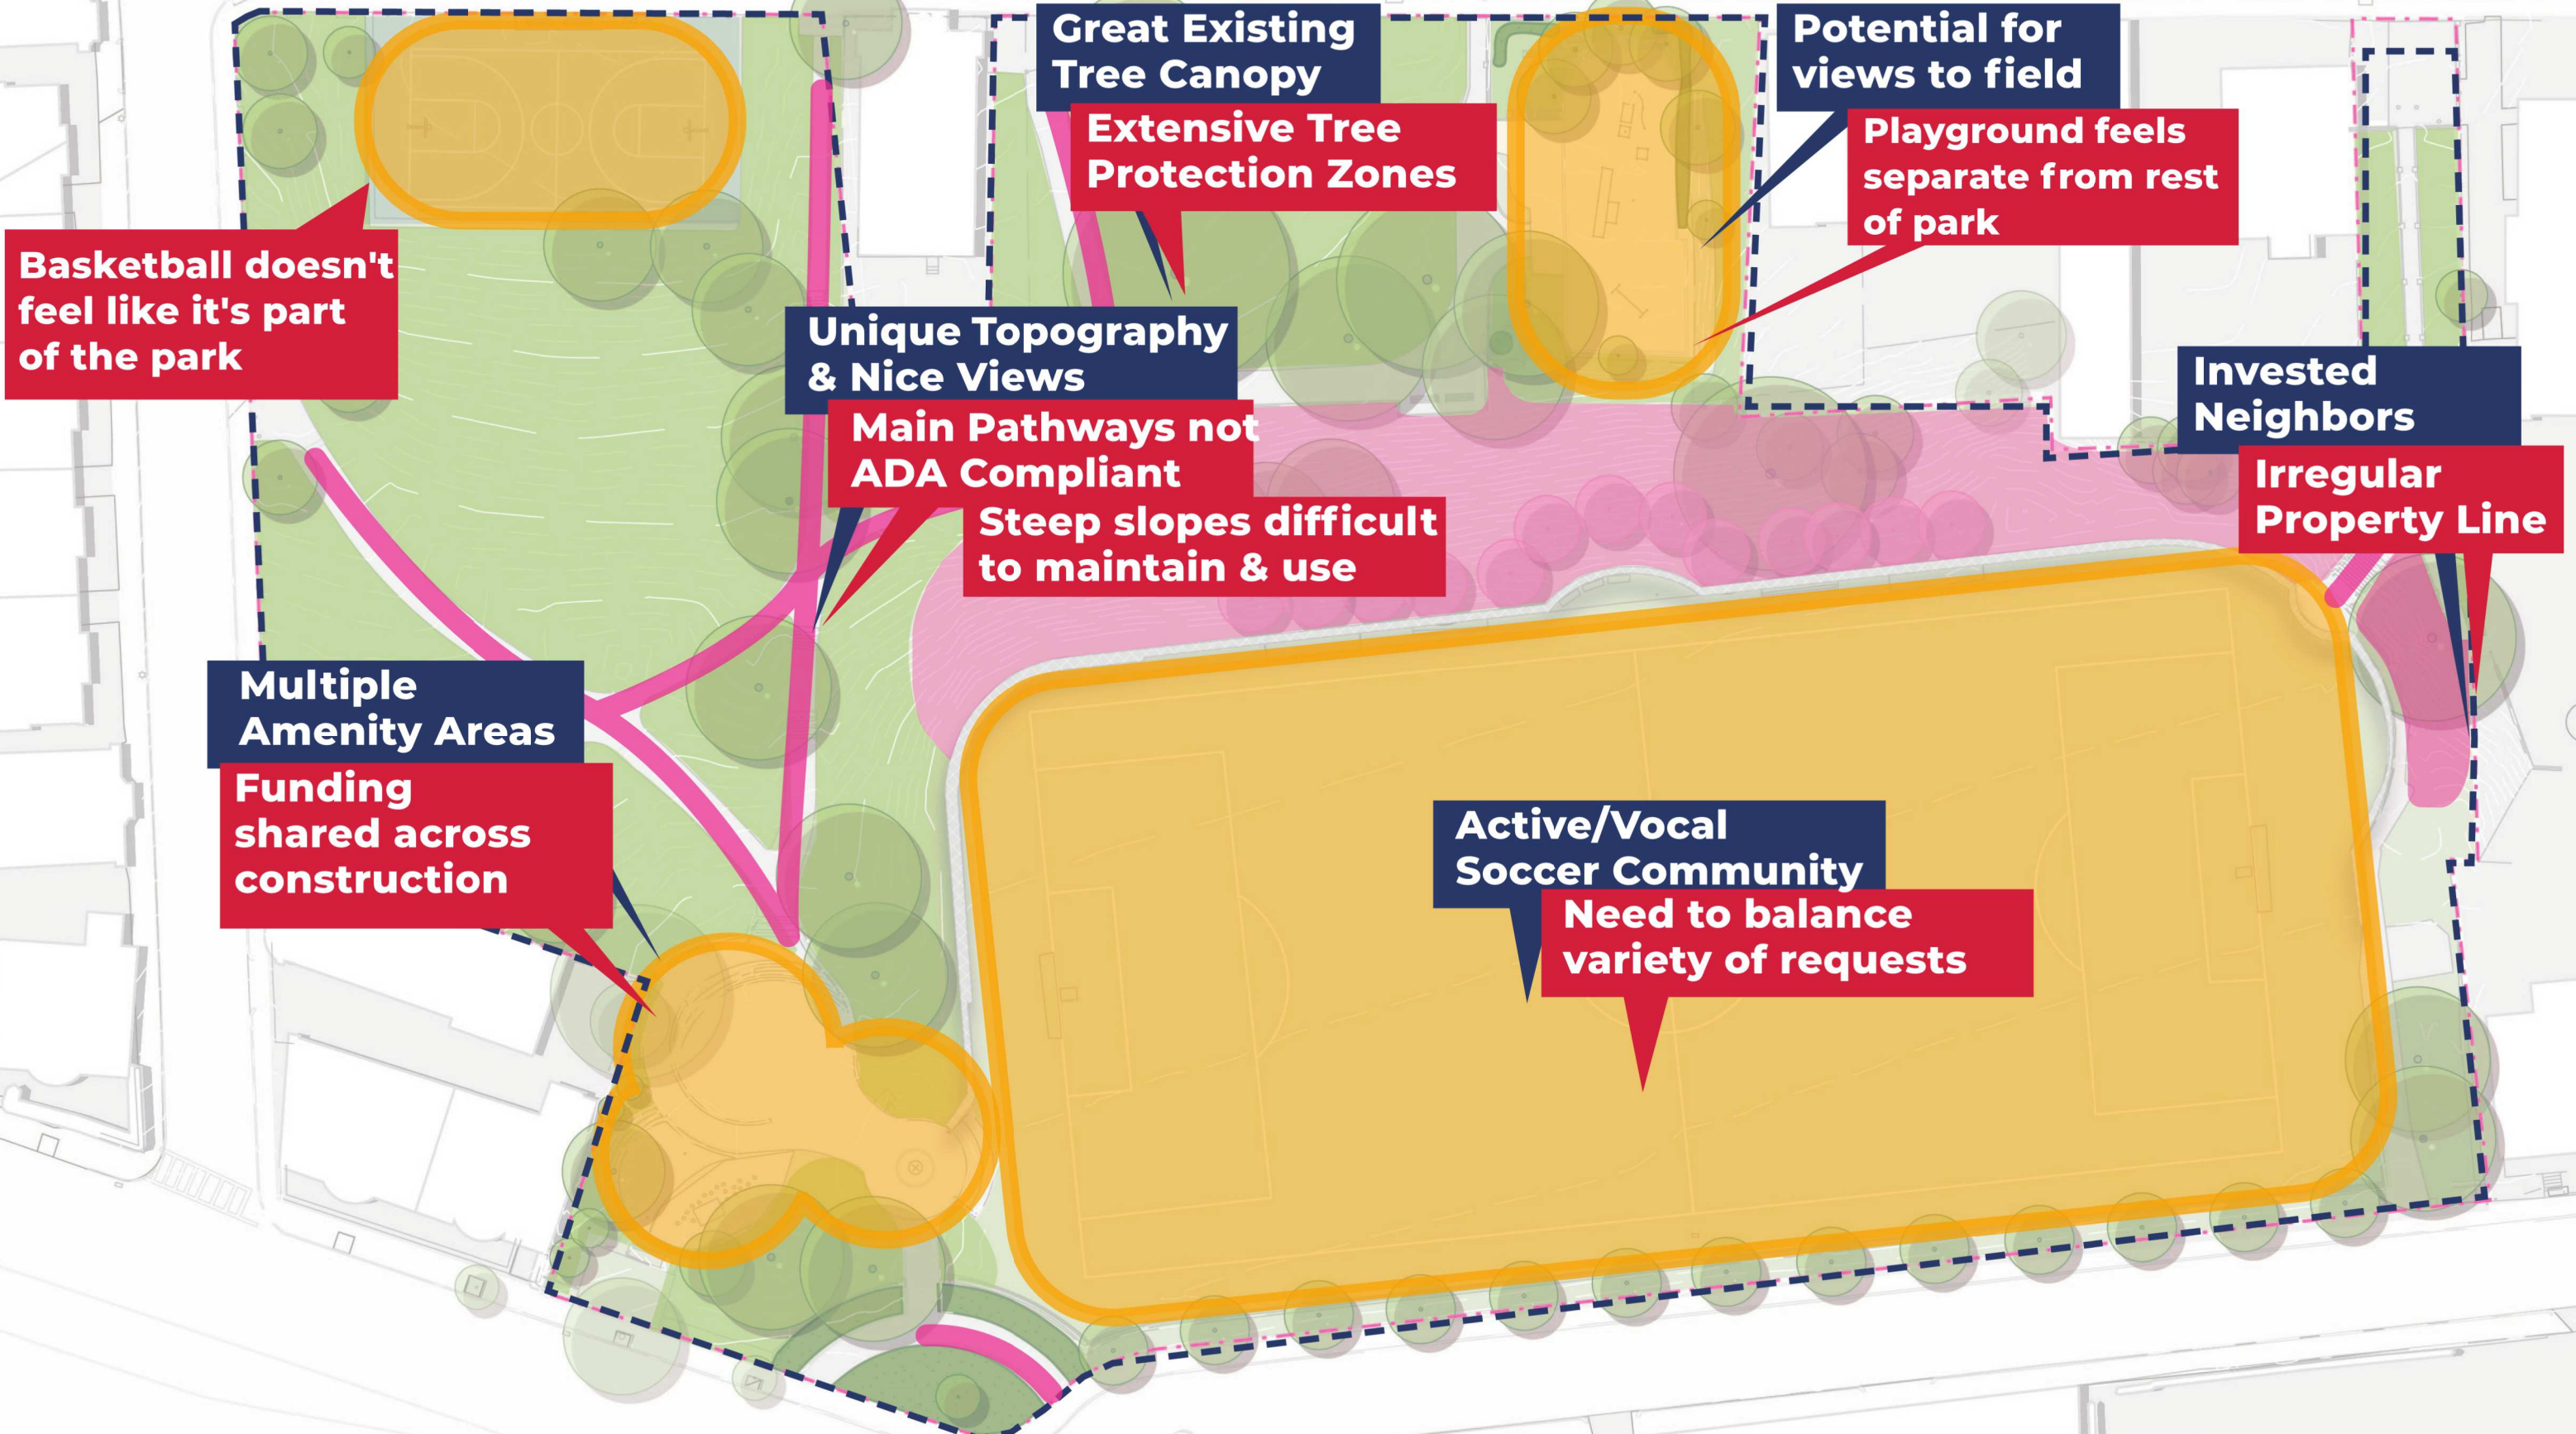

Design for successful maintenance

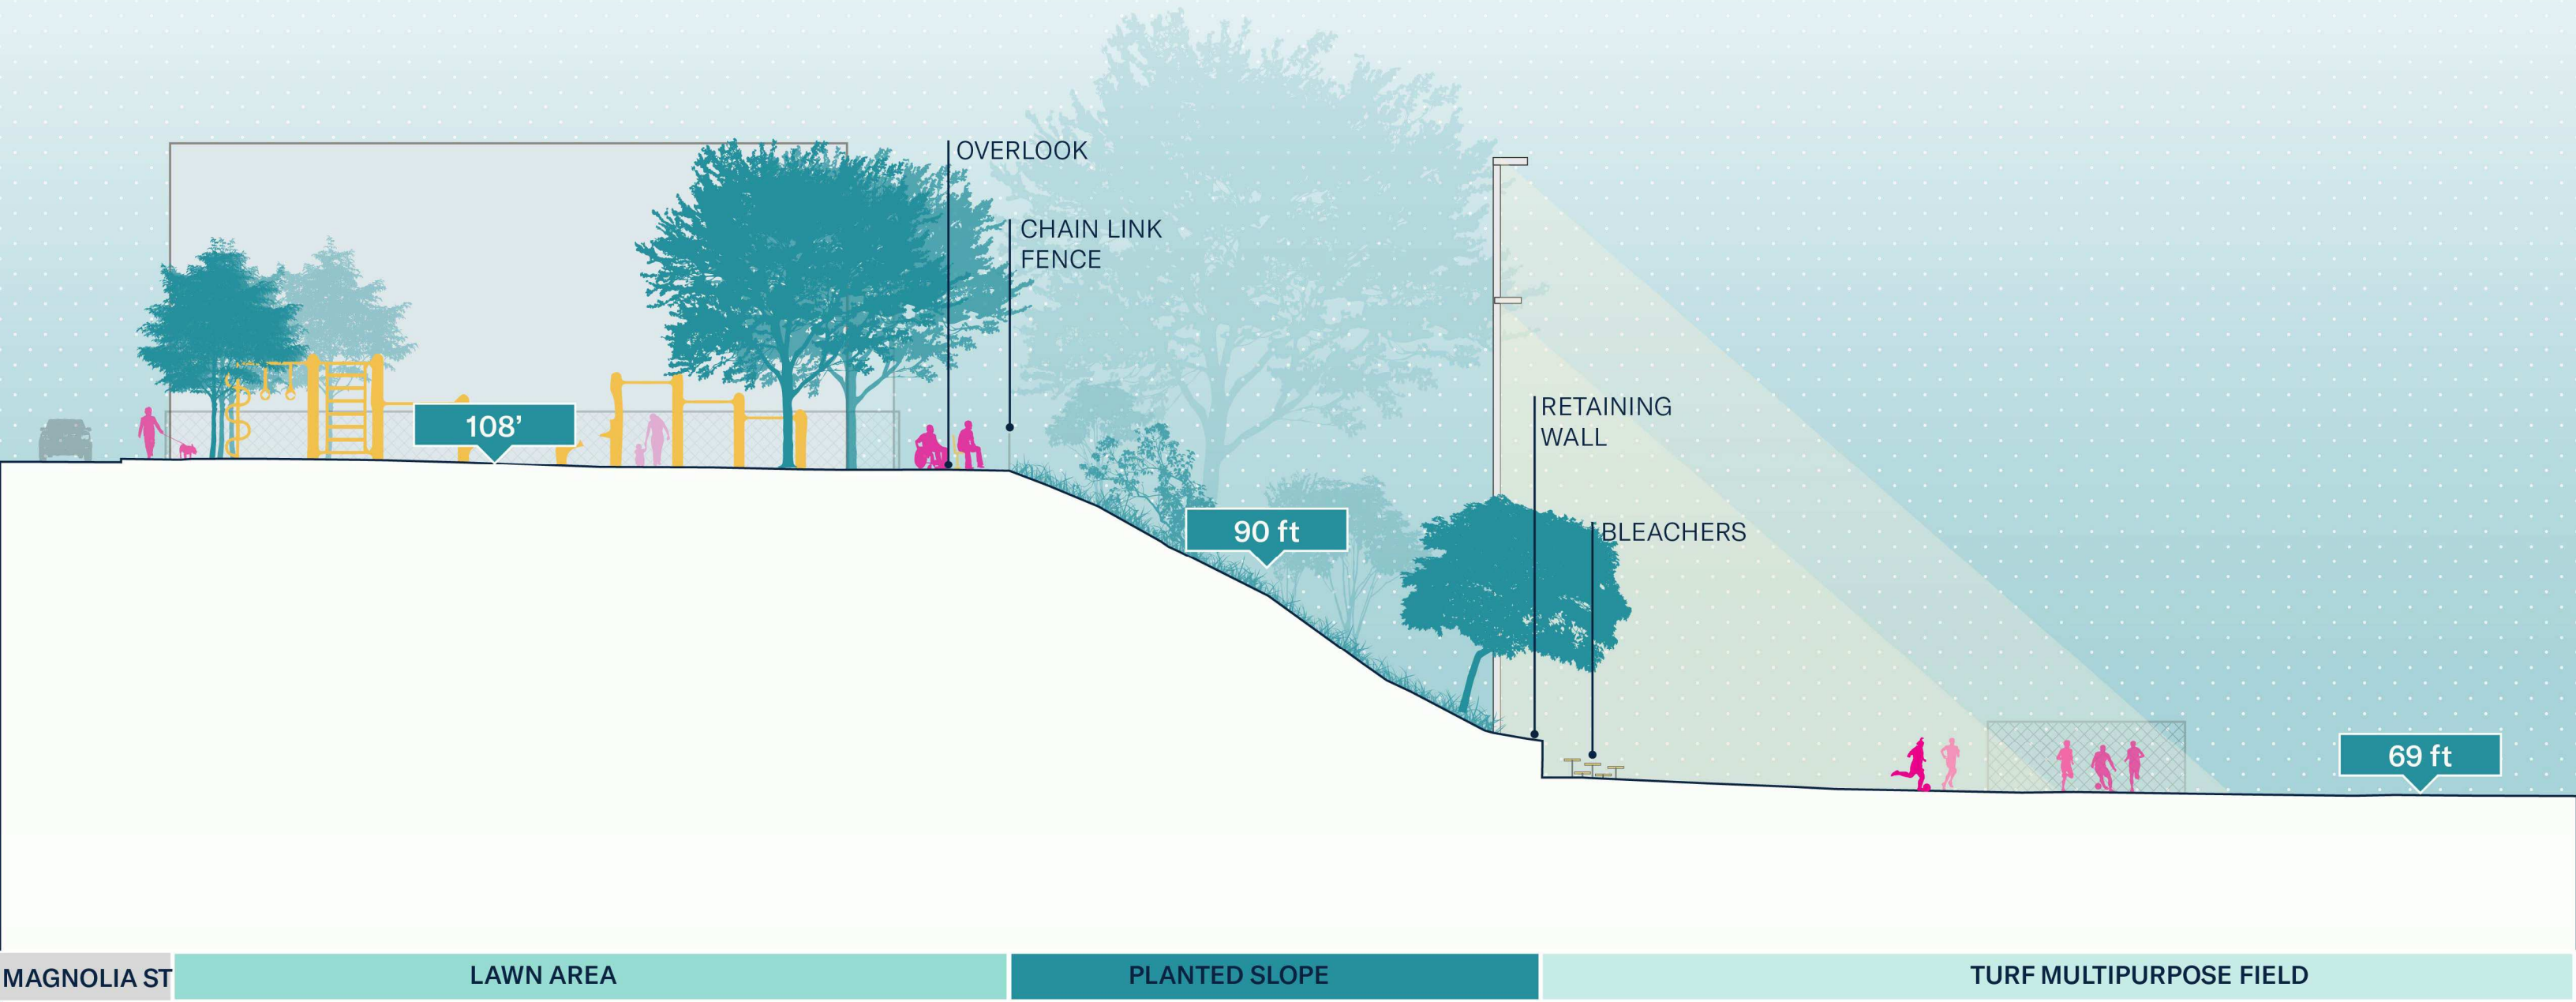

Generate a resilient landscape that adapts to future conditions

Opportunities & Constraints

Opportunities & Constraints

Existing Trees

Suitability for Preservation & Protection

Tree to protect are:

- In good health
- Not threatened by pests or diseases
- Likely to survive for many more years
- Not invasive species
- Provide landscape value to humans (shade, beauty) and other species

SUITABILITY FOR PRESERVATION

-  HIGH
-  MODERATE
-  LOW
-  TO BE REMOVED

Existing Trees

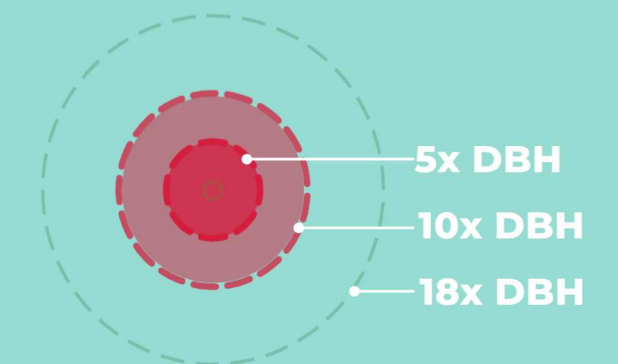

Construction Protection Zones

Tree to protect need:

- Protection from construction activities
- No digging near critical root zones
- Varying levels of protection depending on current condition, existing context, and species

Project Goal

Considerations & Community Input

Design Direction

1. Accessible & available to all

Required by Law, appreciated by users

-Make main routes ADA compliant

2. Promote a safe environment

Concern of park users

-Lighting, cameras, signage,
-Increase visibility

3. Diverse, balanced, and efficient mix of uses

Soccer, playgrounds, basketball, & seating are all priorities

-Create synergy between field & walking routes
-Diversify & connect play areas to park capabilities

4. Design for successful maintenance

Requests for upkeep of restrooms and better routine maintenance

-Convert overgrown areas to lawn
-Use proven, durable materials

5. Generate a resilient landscape that adapts to future conditions

Consider existing tree canopy, increased heat and rain, community need for cooling

-Diversify canopy tree species
-Provide a cooling station for kids & adults
-Focus on drainage of steep slopes
