

**COMMUNITY BENEFITS RECAP**

Please note that the deadline for Community Benefits is April 3, 2023. There are also two additional data points we would like to collect this year (see footnotes for more info).

Once completed, please rename the document to reflect the name of your organization. Email an excel and PDF version to PILOTprogram@boston.gov.

**INSTITUTION NAME:**

Tufts Medical Center

**FINANCIAL YEAR:**

2022

| Program Name                                  | Brief Program Description   | Amount (\$) | Cash, In-Kind, or Both <sup>1</sup> | 1-time or Ongoing <sup>2</sup> | Who is Served <sup>3</sup>  | Program Initiator <sup>4</sup>                | City-wide or Neighborhoods Served <sup>5</sup> | Community Benefit Category <sup>6</sup> | Partners  |
|---|---|-------------|-------------------------------------|--------------------------------|---|---|--|---|---|
| Asian Health Initiative                       | The Asian Health Initiative responds to the health and SDOH needs of Boston's Chinatown and Asian communities, who face linguistic and/or cultural barriers to care and services. AHI addresses health and/or social issues disproportionately impacting this community. In the hospital's most recent needs assessment, tobacco and nicotine use, and related health issues such as heart and lung disease, and behavioral health issues were prioritized. | \$265,000   | Cash                                | Ongoing since 1995             | Boston's low-income, primarily non- and limited-English speaking Asian youth, adults, and seniors | Institution / Chinatown community             | Chinatown, South End, Other Boston             | Community Health                        | Asian American Civic Association; Boston Asian Youth Essential Service; Boston Chinatown Neighborhood Center; Greater Boston Chinese Golden Age Center; Josiah Quincy Elementary School |
| School-Based Support                          | Tufts MC school-based education is designed to promote holistic wellness in students through stress management, social-emotional learning, and nutrition education. This comprehensive program aims to equip students with the tools and knowledge they need to lead healthy, balanced lives. Additionally, Tufts MC providers offers consultation, training, and direct behavioral health care to youth at the Josiah Quincy Elementary School.            | \$17,033    | In-kind                             | Ongoing since 2006             | JQES students, teachers, administrators, and parents  | Institution / Josiah Quincy Elementary School | Chinatown, Other Boston                        | Community Health                        | Josiah Quincy Elementary School, Frances Stern Nutrition Center   |
| South Boston Health Initiative                | The South Boston Health Initiative supports the health care needs of South Boston, focusing on health issues disproportionately impacting this community. Current health issues include substance use, youth development, COVID-19 related needs, and food insecurity.  | \$534,167   | Cash                                | Ongoing since 1995             | Youth and adults; residents living with substance use disorder, COVID-19 and/or Hepatitis C       | Institution / South Boston Community          | South Boston                                   | Community Health                        | South Boston Community Health Center; Gavin Foundation  |
| Health Equity and Access to Care and Services | Tufts MC programs and collaborations, including culturally and linguistically patient navigation for cancer patients; blood pressure clinic, stroke education; problem gambling.
