Ribbon Cutting for the New JQUS school

Celebrate: The accomplishment of a community and the many stakeholders that brought to life the vision of the new school.

Tell the Story: JQUS is a tapestry of many communities, families, students and BPS staff who believed in the IB experience for all students.

Create a community experience:
Inaugurated the building in a manner that honors the heart of those who have come before and those will come after.

“Keeping the flame burning!”

Hosting “homecoming” series of events that include

1. Official “service” program
 - a. Include student performance
 - b. Honor of pioneering committee members and staff
 - c. Honor JQUS Alum by class representative
2. Host community tour with student works displayed
3. Have a themed night for alumni

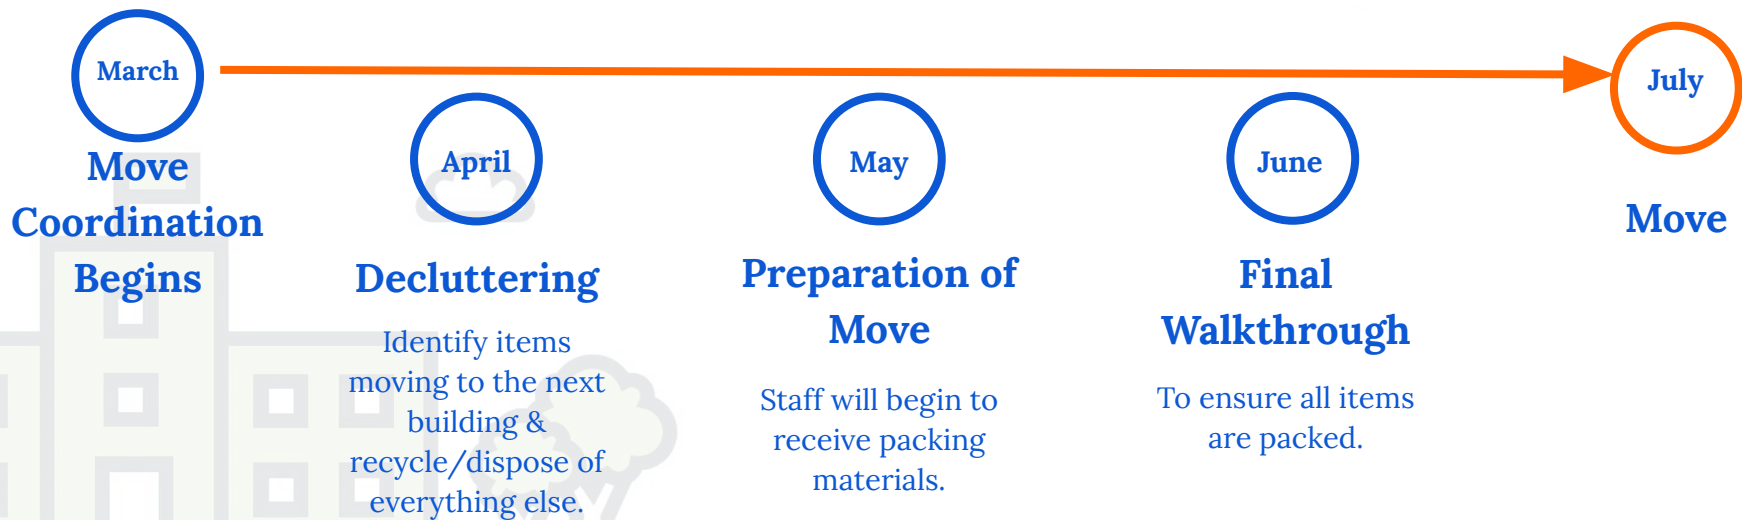

Moving Update

Meet the Move Management Team: An all staff meeting will occur in early march to meet the team, outline and provide expectations of the JQUS move.

Moving Audit: The moving team will commence a walkthrough at the end of March to assess the school community packing needs.

Communication & Partnership: It's imperative that we all work together on this transition. The CP team, the Facilities team and PFD team empathizes with you during this process. We ask that you please stay in communication with the move team lead for move updates and next steps.

Moving Timeline

MD Strand Implementation

BPS Support Team: An internal committee is meeting to ensure that the MD strand program is properly implemented and supported. The group will monitor implementation until June 2025.

- ❑ **Staff:** Positions have been funded and are in the process of being filled with qualified staff.
- ❑ **Classroom:** Classroom furniture and equipment have been ordered
- ❑ **Support:** Office of Student Services will be hosting sessions for staff to increase awareness on how to welcome the families and support students in the new environment.
