HEY, BEACON HILL!

You're invited to join us at Boston City Hall Room 801, hosted by the City of Boston's Office of Historic Preservation. We'll be sharing our vision for the future of Historic Preservation in Boston. All are welcome. The meeting will also be held virtually through Zoom.

We will present a framework showcasing how historic preservation can address some of Boston's pressing challenges in environmental sustainability, social equity, and affordable housing. We will also introduce Boston's plans for events related to America's 250th and Boston's 400th Anniversary.
