

CLOTHING AND TEXTILES RECOVERY!

Did you know that Massachusetts state law prohibits throwing clothing and textiles in the trash? About 85% of the textiles being thrown away could be donated, reused, or recovered instead!

Textile recovery options:

- Drop-off locations
- Zero Waste Day events
- Schedule curbside pick-up. With curbside pick-up, you can also part ways with many household items! Be sure to place these items in a box for collection.

To find drop-off locations, schedule curbside pickup, or view a list of accepted items visit boston.gov/textile
