

WHITE STADIUM | CONSTRUCTION UPDATES

Sign up for our construction updates at boston.gov/white-stadium-construction

We're ready to begin the next phase of revitalizing White Stadium! Demolition will begin followed by construction through Winter 2026. Signage and safety fencing is installed around the site. Our team will monitor progress and make adjustments based on site evaluations and community feedback as needed.

CONSTRUCTION SCHEDULE

Monday-Friday
7 a.m. - 3 p.m. on select weekends as needed

Temporary Street Closure

- To address heavier volumes of construction vehicles during the demolition phase, **Walnut Ave will be restricted to local access and use only** (local residents, school buses and construction vehicles) and closed to traffic between Park Lane and the intersection of Walnut & Seaver St.

Temporary Parking Restrictions

- West side of Walnut Ave between Park Lane & Montebello Road
- East side of Walnut Ave between #435 Walnut & Iffley Rd

NEIGHBORHOOD TRAFFIC CALMING ADJUSTMENTS

- Temporary one-way conversion of Peter Parley Road from Forest Hills St. to Walnut Ave.
- Local access only via Glen, Robeson, Sigourney St. and Peter Parley.
- Temporary lane shift to create dedicated construction vehicle lane.
- Extend the existing "Do Not Enter" restriction on School St to 9 a.m. to safely accommodate BPS students pick-up/ drop-off.

BPS PICK UP/DROP OFF ON SCHOOL ST

BPS families at the Rafael Hernández Dual Language K-8 School on School St. will receive detailed notice:

- Buses will continue to use School St. for pick up/drop off
- Families will be directed to Dixwell St. for pick up/drop off

- For the latest updates and to subscribe to regular construction newsletters, visit **boston.gov/white-stadium-construction**
- For urgent concerns, call 311 anytime—available 24/7.
