# Edward Everett Elementary Crosswalk

*We're slowing speeds and building safer crossings*

This summer, the City of Boston will rebuild this intersection to slow speeding and make crosswalks shorter, safer, and more comfortable - reducing the risk of serious crashes.

The existing crosswalk will be relocated closer to Hesston Terrace. It will be built as a raised crosswalk to improve pedestrian visibility.

## PROJECT SNAPSHOT:

- Curb ramp upgrades
- Raised crosswalk
- Curb extensions
