

GoHubs! Expansion

GoHubs! are places to meet up, find your way, and access more options to get around.

Each potential mobility hub location has its own set of constraints and opportunities due to differences in available space, types of nearby amenities and overall neighborhood context. Based on findings from the community engagement process we can get a better grasp on which amenities make the most sense for each space.

POP-UPS NEAR YOU

- ▶ **Hemenway Playground**
Wednesday, 6/4, 3:00PM-5:00PM
