

# OFFICE OF YOUTH EMPLOYMENT AND OPPORTUNITY

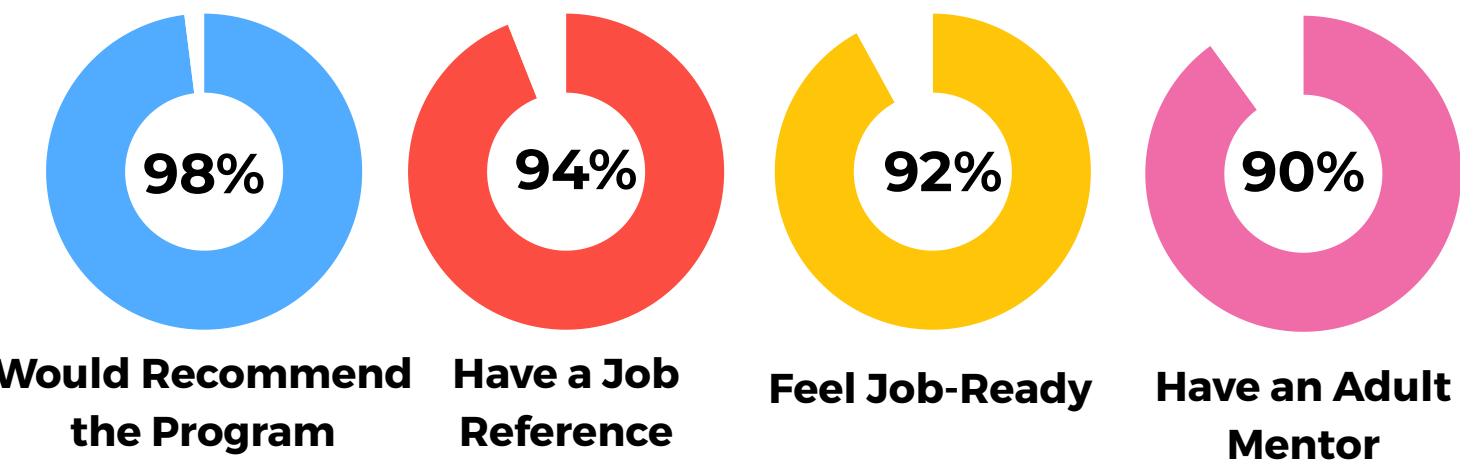

2024-2025 School Year Impact Report

The Office of Youth Employment & Opportunity works to *employ, develop, and engage Boston's youth*. We do this by exposing youth to the workforce and bridging opportunities for personal and professional growth.

## YOUTH VOICES

At the close of the 2024–2025 School Year season, our office distributed a survey to *over 2,000 youth* to evaluate their experience and the program’s impact.

*Of the youth surveyed:*

“This program gives them the rare opportunity to do both: learn, create, and prepare for their futures while still earning an income. This program is truly life-changing for so many young people.”

## IMPACT DURING THE 24-25 SEASON

## WEEKLY WELLNESS FORMS

Our office sent out *17 Weekly Wellness Forms* to the youth enrolled in the program. With *over 150 responses submitted*, these forms helped track participants’ job experiences and offered a space to share questions or concerns, enhancing communication with youth and ensuring ongoing support.

## SITE VISITS

YEO’s Engagement and Outreach team conducted *12 site visits*, meeting with staff and youth at partner worksites. These visits gave the team a chance to observe youth employees in action and experience the employment programs firsthand.

## EXPANDING OUR REACH

YEO’s Career Development team improved resource accessibility by offering *12 bilingual workshop sessions* of the Executive Functions workshop series in both Spanish and English.

“During this school-year program, not only have I gained skills that I wouldn't be able to learn in school, but I have also learned how to be a better overall person in communicating, working, and assisting.”
