Q1: Will the \$100,000 in available funding be awarded to a single vendor, or is BPHC planning to fund multiple organizations under this RFP?

A: BPHC is planning to fund a single vendor.

Q2: Are subcontracting arrangements or co-implementation models with community partners permitted under this award? If so, are there specific reporting or compliance requirements associated with those partnerships?

A: We can allow subcontracting arrangement or co-implementation models with community partners under this award if it is deemed necessary and all parties are in compliance with applicable regulations.
