

Colors

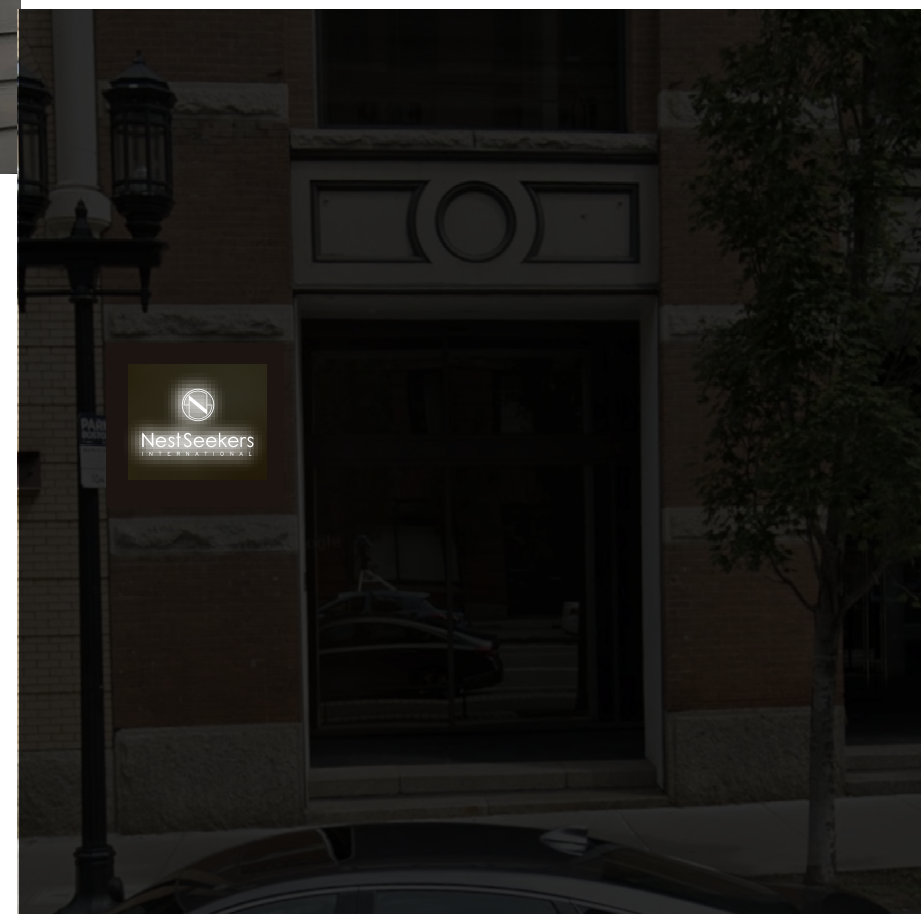

Gold aluminum with textured
23k gold finish

Sample of existing sign with the same gold finish.
Subtle gold finish. Not too gaudy

Night View

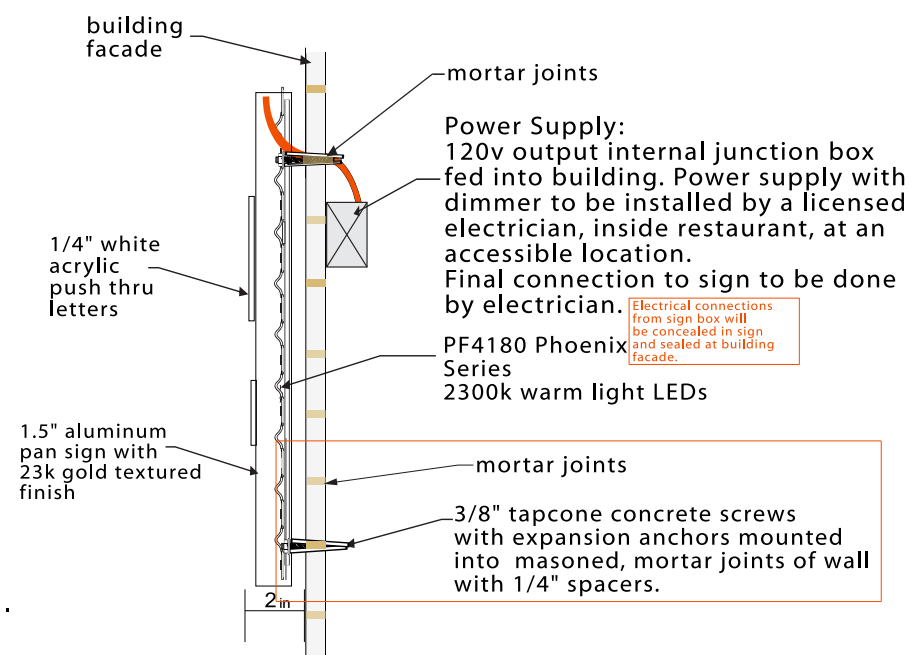

Push Thru Sign 4'x 40" -13.2 sf

1.5" aluminum sign with gold aluminum and
23k gold leaf textured finish. White acrylic 1/4"
graphics with internal Warm Light 2300 LEDs
to allow acrylic letters to have a night time glow.

Sign mounted into mortar joints of building with
3/8" tapcon concrete screws and expansion anchors
with spacers to mount off building 1/4".

All penetrations into building are filled with silicone.
Low volt power supply box installed in building.
