APPLICATION FOR PERMIT TO KEEP LIVE FOWL

Name of Applicant: _____ Telephone # _____

Applicant's Address: _____ Ward _____

Location of coop/hen house on property to be used to keep live fowl: _____

(Provide sketch of building(s) and distances between buildings and abutters)

Addresses of nearest abutter(s): _____

Provide copy of Certificate of Occupancy to Keep Live Fowl: _____

(See Building Division Zoning Requirements)

Number of live fowl and type (maximum 25): _____

THE KEEPING OF LIVE FOWL SHALL BE IN ACCORDANCE WITH THE FOLLOWING CONDITIONS:

1. The permit will expire on December 31 following its issue, unless revoked before that time.
2. No live rooster will be kept, unless authorized in writing by ISD, Health Division.
3. No fowl will be kept within fifty feet of any dwelling, other than the dwelling occupied by the applicant, without the written consent of the owner and occupant of such dwelling, filed annually in the ISD, Health Division nor on any lot on which is located a dwelling occupied by three or more families, unless the owner lives on the premises.
4. All live fowl will be kept in properly fenced enclosures, approved by the ISD, Health Division.
5. No garbage or refuse food will be fed to fowl unless it be put into a proper receptacle, which will be kept clean, or fed upon a cement or other waterproof surface that will be frequently flushed and will be kept clean.
6. The surface of the yard and the hen house will be kept clean and free from odor.
7. All coops, hen houses and other structures, and all appurtenances thereto, will be of substantial construction, and so arranged, placed and maintained as not to afford a harbor, shelter or food for rats. Such coops, hen houses, structures and appurtenances will be:
 - a. Kept dry, well ventilated and with windows so placed as if possible, to admit sunlight;
 - b. Kept well whitewashed within;
 - c. Cleaned at least once a week between November 1 and April 30, inclusive; twice a week between May 1 and October 31, inclusive, and more often if necessary;
 - d. Perches will be kept clean; and
 - e. Nests will be movable and cleaned, aired and sunned at frequent intervals.
8. Drinking fountains will be kept clean and will be supplied at all times with water.
9. Premises where fowl are kept will always be maintained in a condition satisfactory to the ISD, Health Division.
10. The permit may be revoked at any time by ISD, Health Division.
11. All statutes and ordinances and other conditions stated in permit will be conformed to.
12. The City shall be indemnified and saved harmless from any damage it may sustain, or be required to pay, by reason of the work permit.
13. Any other or further conditions which may be adopted by the ISD, Health Division from time to time will be observed.
