Section 2. The Municipal Employer reserves and retains the right to contract out work or subcontract out work. Pursuant to the exercise of such right, no employee shall be laid off if there is available work in the same position or in a similar position which he is qualified to fill and is eligible to fill under Civil Service law and rules.

ARTICLE VI (6) DISCIPLINE AND DISCHARGE

Section 1. No employee either Civil Service or non-Civil Service, who has completed six (6) months of actual work shall be disciplined, suspended, demoted, or discharged except for just cause. Conducting the hearing shall be one or more of the staff of the Office of Labor Relations. In addition, the Municipal Employer's committee to hear grievances may include such other persons as the Office of Labor Relations may from time to time designate.

Step 4. If the grievance is not resolved at Step #3 within fifteen (15) working days, the Union, and only the Union, may submit the grievance to arbitration. Such submission to arbitration must be made within thirty (30) days after the expiration of the 15 working days referred to herein. The arbitrator shall be selected by the mutual agreement of the parties. If the parties fail to agree on a selection in the first instance, the American Arbitration Association shall be requested to provide a panel of arbitrators from which a selection shall be made. Expenses for the arbitrator's services shall be shared equally by the parties. The parties agree in principle to use the expedited arbitration procedure of the American Arbitration Association whenever feasible.

Section 3. Written submission of grievances at Step #2 shall be in not less than triplicate, on forms to be agreed upon jointly, and shall be signed by the representative of the Union filing the grievance. If a grievance is adjusted at any step of the grievance procedure, the adjustment shall be noted on the grievance form and shall be signed by the Municipal Employer's representative and the Union representative reaching the adjustment. At any step of the grievance procedure where no adjustment is reached, the grievance form shall bear a notation that the grievance is unsettled, shall be signed by the Municipal Employer's representative and the Union representative then handling the grievance, and shall be referred to the next step in the grievance procedure as provided herein.

Section 4. A grievance shall be deemed waived if:

- (a) not presented in writing at Step #2 within ten (10) working days of the occurrence, or failure of occurrence, whichever may be the case, of the incident upon which the grievance is based;
- (b) not presented at Step #3 within ten (10) days after presentation of Step #2;

Section 7. The arbitrator hereunder shall be without power to alter, amend, add to, or detract from the language of this Agreement. The decision of the arbitrator shall be final and binding upon the parties. The arbitrator shall submit in writing his decision within thirty (30) days after the conclusion of testimony and argument, or as soon as practicable thereafter, unless extended by mutual consent. The arbitrator shall have no power to recommend any right or relief for any period of time prior to the effective date of this Agreement.

Section 8. Any matter which is subject to the jurisdiction of the Massachusetts Commission Against Discrimination ("MCAD"), the Equal Employment Opportunity Commission ("EEOC"), the Civil Service Commission or any Retirement Board established by law shall not be a subject of grievance or arbitration hereunder. Complaints by Civil Service employees that they are being required by the appointing authority to perform work outside their job descriptions shall be referred to the Supervisor of Personnel prior to making complaint to the Director of Civil Service.

ARTICLE VIII (8) NO-STRIKE CLAUSE

Section 1. No employee covered by this Agreement shall engage in, induce or encourage any strike, work stoppage, slowdown, or withholding of service. Section 2. Should any employee or group of employees covered by this agreement engage in any strike, work stoppage, slowdown, or withholding of services, the Union shall forthwith disavow any such strike, work stoppage, slowdown, or withholding of services and shall refuse to recognize any picket line established in connection therewith, and failure to comply will result in waiver of the just cause provision of this Agreement. Furthermore, at the request of the Municipal Employer, the Union shall take all reasonable means to induce such employee or group of employees to terminate the strike, work stoppage, slowdown, or withholding of services and to return to work forthwith.

Section 3. In consideration of the performance by the Union of its obligations under Section 1 and 2 of this Article, there shall be no liability on the part of the Union nor of its officers or agents for any damages resulting from the unauthorized breach of the agreements contained in this Article by individual members of the Union.

ARTICLE IX (9) STABILITY OF AGREEMENT

Section 1. No agreement, understanding, alteration or variation of the Agreements' terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the City's Office of Labor Relations and the Union.

Section 2. The failure of the Municipal Employer or the Union to insist, in any one or more incidents, upon performance of any of the terms or conditions of this Agreement shall not be considered as a waiver or relinquishment of the right of the Municipal Employer or of the Union to future performance of any such term or condition, and the obligations of the Union and the Municipal Employer to such future performance shall continue in full force and effect.

ARTICLE X (10) HOURS OF WORK AND OVERTIME

Section 1. The regular workweek shall consist of five (5) eight-hour days between any Wednesday and the following Tuesday, inclusive.

However, in the event of unauthorized absence in the week in which overtime service is performed, or in the event of absence without pay by reason of disciplinary action, such employee shall be compensated for such overtime service on a straight-time basis only.

Section 4. Employees shall not accept compensatory time off in lieu of monetary compensation for overtime work.

Section 5. Overtime work shall be distributed as equitably as possible. A list of all eligible employees shall be posted in a conspicuous place, and kept up-to-date, by the Municipal Employer. For the purpose of a regular rotation of overtime opportunities, but for such purpose only, overtime work refused shall be considered as overtime actually worked.

Section 6. In the event an employee reports to his regular place of work at his regularly scheduled time and is sent home for lack of work, he shall be entitled to a day's pay.

Section 7. All employees' work schedules shall provide for a 15-minute rest period during each one-half (1/2) shift. The rest period shall be scheduled at the middle of each one-half (1/2) shift whenever this is feasible. The present practice with respect to wash-up time shall continue in force for the duration of this Agreement.

Section 8. If an employee who has left his place of employment after having completed work on his regular shift is called back to work, he shall be paid for each hour worked on a time-and-one-half basis, and in no event shall he receive less than four (4) hours' pay on a straight-time basis.

Section 9. All employees shall be scheduled to work on regular work shifts, and each work shift shall have a regular starting time and quitting time. Work schedules shall be posted on all department bulletin boards at all times. Employees shall be given reasonable notice of any change in their work schedule.

Section 10. The Municipal Employer agrees to give the Union reasonable notice of any proposed change in scheduled work shifts and an opportunity to discuss the proposed change. In the event of failure to agree on this proposed change, the Municipal Employer shall have the right to institute the change and the Union shall have the right to take the matter up as a grievance under the grievance procedure.

Section 11. All overtime shall be paid no later than the next payroll cycle following the week in which such overtime was earned.

Section 12. The City agrees not to transfer employees for disciplinary reasons except in accordance with Article VI.

ARTICLE XI (11) TEMPORARY SERVICE IN A LOWER OR HIGHER POSITION

Section 1. While an employee is performing, pursuant to assignment, the duties of a position classified in a grade lower than the grade of the position in which he performs regular service, he shall be compensated at the rate of pay for the grade of the position in which he performs regular service.

Section 2. An employee who is performing, pursuant to assignment, temporary service in a position classified in a grade higher than the grade of the position in which he performs regular service, other than for the purpose of filling in for an employee on vacation, shall, commencing with the sixth consecutive day of actual service in such higher position, be compensated for such service at the rate to which he would have been entitled had he been promoted to such position. Any remedy based on a grievance filed under this Section shall be limited in effect to a period not to exceed five (5) days prior to the date of the filing of the grievance in writing.

Section 3. When there is an existing Civil Service list for a higher position to be filled on a temporary basis, the selection of an employee to perform temporary service in such higher position shall be made in accordance with Civil Service rules.

Section 4. When there is no existing Civil Service list for the position to be filled temporarily, the selection of an employee to perform service in such higher position shall be made on the basis of qualifications and ability; and where qualifications and ability are substantially equal, seniority as defined under Civil Service law and rules shall be the determining factor. Section 5. "Floating holidays" In addition to the holidays enumerated in Section I of this Article, on each January 1, full-time employees who were City of Boston employees on January 1, 2013 will be eligible for two (2) "floating holidays" that must be taken by December 31 at a time or times requested by the employee and approved by his/her immediate supervisor outside the bargaining unit. Section 4. The appointing authority may grant during any calendar year a one-week vacation to any employee covered by this Agreement who for any reason is not entitled to vacation leave under Section 2 of this Article; provided that on January 1 of such year such employee has been continuously in active service for at least five months.

Section 5. An employee may secure the benefits of Sections 2 of this Article only during active service; and no rights under said Sections shall accrue to an employee in the event of the termination of his employment before the vacation leave therein authorized has been actually taken, except as specifically provided in Sections 6 and 7 of this Article.

Any employee on an authorized leave of absence shall accrue or not accrue vacation time in accordance with the City's Family & Medical Leave Policy, or Military Leave Policy, whichever is applicable.

Section 6. If during the vacation eligibility year (prior to January 1) the employment of an employee who has actually worked for the Municipal Employer for thirty (30) weeks in the aggregate since January 1 of the preceding year and who is entitled to vacation leave under Section 2 of this Article is terminated for a reason other than death, retirement, or discharge for cause, such employee shall be paid an amount in lieu of vacation leave prorated in the proportion that the number of months of service since January 1 of the preceding year (including the month in which employment is terminated) bears to twelve.

Section 7. If the employment of any employee entitled to vacation leave under Section 2 of this Article, is terminated by death or retirement without the employee having been granted such vacation, such employee, or in the case of his death, the employee's estate, or as provided in Section IIII of Chapter 41 of the General Laws, the employee's surviving spouse or next of kin shall be paid an amount in lieu of such vacation; provided, that no monetary or other allowance has already been made therefor, and provided, further, if the employment is terminated by death or retirement before January 1, that the employee has actually worked for the Municipal Employer for thirty (30) weeks in the aggregate since December 31 of the preceding year.

Section 8. Immediately prior to departure on vacation leave, an employee will be permitted to be advanced vacation pay allowance up to his maximum vacation leave entitlement under this Article, provided that when the employee is departing on a vacation leave period which is less than his full vacation leave entitlement, the advancement shall not exceed the vacation pay allowance for such vacation leave period.

ARTICLE XIV (14) SICK LEAVE

Section 1. Section 1. Every employee covered by this Agreement shall, subject to Section 2 of this Article, be granted sick leave, without loss of pay, for authorized absences pursuant to the City's Attendance Policy. This section will become effective 90-days after this Agreement is approved by the City Council.

Sick leave shall accrue at the rate of 1 1/4 dates for each month of actual service, not to exceed fifteen (15) working days in any calendar year. Employees shall not be credited with fifteen (15) days' sick leave as of January 1 of any year, in advance of such year having been worked. Sick leave not used in the year in which it accrues, together with any accumulated sick leave standing to the employee's credit on the effective date of this Agreement and not used in the current year, may be accumulated for use in a subsequent year. Sick leave not used prior to the termination of an employee's service shall lapse, and the employee shall not be entitled to any compensation in lieu thereof.

Section 2. A day shift employee calling in sick must call in one (1) hour before his watch is to begin. Afternoon and night watch must call in two (2) hours prior to start of shift. Employee returning to work must call in the day prior to returning to work. When he is reporting back over the weekend, he must notify his employer by noontime Friday. If the employer assigns a relief man because he was not notified the man was returning to work, he does not have to pay the sick man for that shift.

Section 3. The appointing authority may require an employee who seeks to return to work after a leave of absence for sickness or other cause to be examined by the Medical Advisor to the Workmen's Compensation Agent, prior to the employee's reinstatement to active service. No employee shall suffer loss of pay for lapse of time between the date he reports for work after a sick leave of absence and the date of examination by the said Medical Advisor if: (a) the

employee reports for work with a doctor's certificate certifying that the employee is able to work in the position in which he was performing regular service, and (b) said Medical Advisor approves such certificate.

Section 4. An employee on leave because of an occupational disability may take such of the sick leave allowance to which he is entitled under this Article as, when added to the amount of any disability (Workmen's) compensation, will result in the payment to him of his full salary for any particular workweek.

The Municipal Employer agrees to support legislation authorizing it to pay such amount of compensation as, when added to the amount of any disability (Workmen's) compensation, will result in payment of a full week's salary to an employee who is on leave because he was injured in the line of duty as the result of violence by a patient or person in lawful custody.

Section 5. Up to five (5) days' sick leave credit will be restored to an employee's accumulated sick leave when such employee has used sick leave allowance between date of injury on the job and date disability (Workmen's) compensation is awarded, except that such sick leave shall be offset proportionately by a disability benefit that 1st awarded retroactively to date disability was incurred.

The City agrees to support legislation to broaden the statutory coverage provided for injuries incurred in the line of duty.

Section 6. An annual report of sick leave shall be made available upon request.

Section 7. An employee who has used fewer than five (5) sick days in the twelve-month period ending December 31 of any year in which this Agreement is in effect may elect to redeem sick days in a lump-sum cash payment in accordance with the following schedule:

Sick Days Used	Cash Redemption
0	5 days' pay
1	4 days' pay
2	3 days' pay
3	2 days' pay
4	1 days' pay
5	0 days' pay

The per diem rate will be the employee's rate on December 31 as specified in the Pay Schedule, Article XVIII.

During January the City will notify each qualifying employee of his redemption options. An employee may elect to redeem all or part of his entitlement in full days. Unredeemed sick leave days will be accumulated in the normal manner.

Section 8. Employees may use four (4) sick days as personal days per year with at least 48 hours notice prior to utilizing the personal time. Employees who elect to use all or part of these days shall lose the equivalent from his/her annual redemption of sick leave. If personal time is used for an emergency, with less than 48 hours notice, the employees must identify the nature of the emergency to allow the department to identify instances of potential abuse of this benefit.

Section 9. As of the effective date of the retirement of an employee from City service, the City shall redeem a percentage of the employee's accrued but unused sick leave.

INTRODUCTION

The PRS Evaluation Form was developed to meet the following goals:

- 2) to inform employees of the quality of their work, to identify those areas needing improvement, to set specific objectives for employees, and to provide employees an opportunity to discuss their career goals and the support they need to meet those goals; and
- 3) to assist department heads and managers in evaluating their workforce, identifying employee potential, and establishing priorities for training and education.

Instructions for Evaluators

The Rating Guide will provide the basis on which all employees will be rated. Each category and the criteria must be objectively applied to each employee to ascertain whether or not the standards have been met. Follow these guidelines in evaluating the employee:

- Judge each employee on the basis of work now being performed.
- Place a check in the box beside the phrase which best describes the individual being evaluated.
- Use the Comment/Explanation area to explain your rating or to describe an employee's strengths in the area.
