

# CONCEPT 1: REFRESH

*Simple refinements to what's already there*

1. The park's tree-lined main entrance opens onto the **Basketball Court**.
2. The **Basketball Court** is re-surfaced and re-painted. Additional hoops are added for full- and half-court play.
3. **Play** and **Basketball Court** are connected through a linear seating area.
4. The **Lawn** remains in its current location, separate from the **Play** area.
5. Next to the **Lawn**, gardeners and community groups can connect at a large **Gathering Space**.
6. The **Community Garden** is maintained and left untouched.

A. TREE ROW  
& SEATING

B. TRIKE LOOP &  
BASKETBALL COURT

C. SHADE STRUCTURE

D. SCULPTURAL SEATING  
& GAME TABLES

E. OPEN LAWN

YOUR  
THOUGHTS!

# CONCEPT 2: TRADE

*Swap locations of the basketball court and lawn*

1. The **Lawn** creates a lush, welcoming green entry at the main park entrance with opportunities to **Gather**.
2. **Play** and **Lawn** are located next to each other. **Lawn** becomes informal play from the **Playground** and **Gathering area**.
3. The **Basketball Court** is relocated to the north, with a dedicated seating area.
4. The **Basketball Courts** are re-surfaced and re-painted. A new mini kids' basketball court borders the **Play** area.
5. The **Community Garden** is maintained and left untouched.

A. STACKED SEATING

B. OPEN LAWN & GATHER

C. PLAY FOR MANY AGE RANGES

D. MINI BASKETBALL COURT

E. FITNESS

THOUGHTS!

# CONCEPT 3: SHUFFLE

*Relocate the community garden to unify the park*

## Community Garden Relocation Consideration:

1. Improvements to the community garden were not part of the original project scope or budget.
2. Relocating the community garden would shift significant budget away from other park programs (play, basketball, gather).

TELL US  
YOUR  
THOUGHTS!

1. The **Lawn** creates a lush, welcoming green entry at the main park entrance.
2. Centralized seating borders the **Lawn** and the **Basketball Court**.
3. **Play** and **Lawn** are located next to each other. **Lawn** becomes informal play from the **Playground** and **Gathering area**.
4. The **Basketball Court** activates the **Play** and **Lawn**, connecting the three programs altogether.
5. The **Basketball Court** is re-surfaced and re-painted. Additional hoops are added for full- and half-court play.
6. The **Community Garden** moves to the sunny side of the park and improves park connectivity.

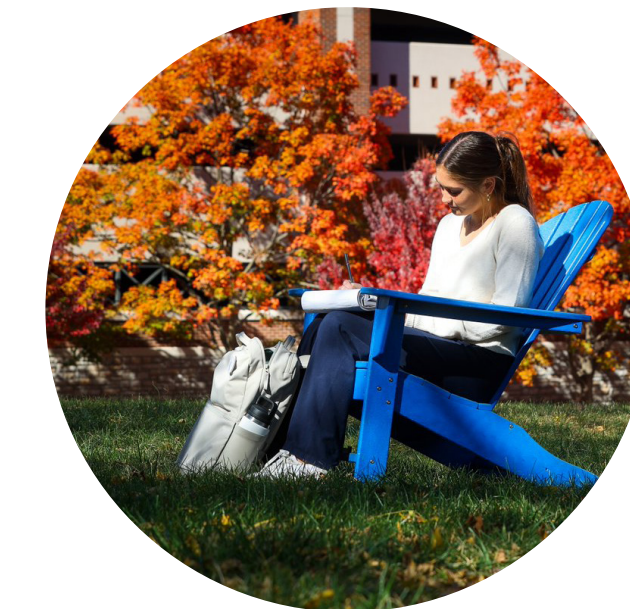

A. OPEN LAWN & GATHER

B. PICNIC & BENCH SEATING

C. PLAYGROUND MEETS LAWN

D. LAWN SEATING

E. Community Garden

PARK MAIN ENTRANCE

When you arrive at the park's main entrance, what do you want to do and see first?

Place a sticker on your favorite option & tell us why!

A Basketball Court is at the park entrance at the intersection of Penniman Rd and Hano St.

Concept 1: Refresh

A Gathering Space is at the park entrance at the intersection of Penniman Rd and Hano St.

Concept 2: Trade

A Lawn is at the park entrance at the intersection of Penniman Rd and Hano St.

Concept 3: Shuffle

What activities are best next to each other?

Place a sticker on your favorite option & tell us why!

The Playground is next to the Basketball Court, with shaded seating in between.

Concept 1: Refresh

The Playground is bigger, and is next to the Lawn and Gathering Space.

Concept 2: Trade

The Playground is next to the Lawn and Basketball Court, and seating connects all three programs.

Concept 3: Shuffle

How can we improve the basketball court?

Share your thoughts!

What ideas do you have for how to improve the basketball court?

Are you interested in having the court striped for other sports/games in addition to basketball?  
*(Examples: hopscotch, four square, trike loop, futsal, etc.)*

Are you interested in having a mini basketball hoop for little kids in addition to the standard-height basketball hoops?

\*Should the community garden be relocated?

Place a sticker on your favorite option!

KEEP THE GARDEN WHERE IT IS  
(CONCEPTS 1 & 2)

MOVE THE GARDEN NORTH  
(CONCEPT 3)

Community Garden Relocation Consideration:

1. Improvements to the community garden were not part of the original project scope or budget.

2. Relocating the community garden would shift significant budget away from other park programs (play, basketball, gather).
