RE: City of Boston Payment in Lieu of Taxes (PILOT) Community Benefits Deduction

Dear Commissioner Ariniello,

Beth Israel Deaconess Medical Center is pleased to submit this report of its community benefits programs in support of our voluntary PILOT contribution for the City's fiscal year 2025 (BIDMC's FY2024 – 10/1/23-9/30/24). The attached chart, as provided by your office to the medical center, highlights some of our many community benefits programs that may benefit Boston's residents. As you know, many of these programs were initiated by and implemented in partnership with the Mayor's Office and the Boston Public Health Commission.

We look forward to working collaboratively with the Mayor's Office and the Boston Public Health Commission in improving the health of all Boston residents. Please do not hesitate to contact me or Nancy Kasen, Vice President of Community Benefits, with any questions.

Sincerely,

Peter J. Healy
President
